

**New Fairfield Public Schools
Textbook Selection Information**

Course: Mathematics

Grade(s): 6 - 11

Title: enVision Mathematics Common Core©2021 / EnVision A/G/A Common Core ©2018

Author(s): Grades 6- 8 Dr. Robert Q. Berry, III, Zachary Champagne, Dr. Randall I.

Charles, Dr. Francis “Skip” Fennell, Dr. Jane F. Schielack, Jonathan A. Wray

Grades 7 - 11 Eric Milou, Dan Kennedy, Ph.D, Christine D. Thomas, Ph.D

Rose Mary Zbiek, Ph. D, Al Cuoco, Ph. D

Publisher: Savvas Learning Company (formerly Pearson K-12 Learning LLC)

Date: ©2021 and the high school A/G/A ©2018

Readability:

The following criteria were adopted and/or adapted from the American Library Association Workbook for Selection Policy Writing.

- 1. Learning resources shall support and be consistent with the general educational goals of the state and the district and the aims and objectives of individual schools and specific courses.**

enVision Mathematics Common Core Grades 6-8 and A/G/A is aligned to CCSS. Grade level texts focus on the major work of the grade; there is coherence of the standards learning progressions within and between grades.

- 2. Learning resources shall be chosen to enrich and support the curriculum and the personal needs of users.**

The resource supports a problem-based learning model where students regularly engage in discourse and utilize prior knowledge to connect and grow new learning.

- 3. Learning resources shall meet high standards of quality in format, visual quality and presentation:**

Lessons are organized and follow an engaging structure.

- 4. Learning resources shall be appropriate for the subject area and for the age, emotional development, ability level, learning styles, and social development of the students for whom the materials are selected.**

This resource is designed to support rigor through a balance of grade appropriate conceptual, procedural and application skills utilizing mathematical practices to support flexible thinkers who can use reasoning to help make sense of math.

Formative assessment is used to help identify individual student needs and support varied ability levels.

5. Learning resources shall promote an appreciation of cultural diversity.

The resource provides a varied collection of real-life and mathematical problems that are culturally diverse.

6. The publisher provides appropriate support materials

There's online access and digital tools as well as English Language support and consumable textbooks. There is a live chat feature available to teachers for resource and training support.

7. Price per book and the number needed:

enVision Mathematics Common Core©2021
Grades 6 - 8 (consumable and digital license 6 years) - \$ 98.97 per student

EnVision A/G/A Common Core ©2018
Grades 9-11: Algebra/ Geometry/Algebra 2 (6 year license) - \$122.47 per student
