

Athletic Board Brief 7/1/13

We are currently in search of a Head Baseball coach. We are also working hard with our summer workouts going well. We will be heading into the last 3 weeks of summer with 43 different kids taking part in them. This is up from 38 a year ago. Our kids have also enjoyed basketball camps and tournaments. They also took part in tennis camp. We had a good representation at FCA Camp also. 7 on 7 went well with our first team going 7-0, our second team going 5-0, and our 3rd going 3-1. We still have many events ahead with football, basketball, and volleyball camps. Summer volleyball is still going strong. 7 on 7 tournament is scheduled to happen here in Brackett. There are still things to work on, but we are headed in the right direction.

James L. Richardson

Athletic Director
