Meeting: April 17, 2019 – Regular Board of Education Meeting

Category: Business Item

Subject: Proposal to Obtain Property in Kasaan

## RECOMMENDATION

It is the administration's recommendation that the School Board approve and authorize the superintendent purchase Lot 6, Block 8 as shown on the official plat Dependent Resurvey and Subdivision of US Survey 1896, Kasaan Townsite, including the structures located on this property.

## PERTINENT FACTS:

Purchasing this property would be beneficial to the District for several reasons:

- The wood-fired boiler could be located on this lot, where it cannot be a threat to the school.
- There is a small housing unit on the property, which could provide staff housing.
- There is room for an additional housing unit on the lot.

The owner is asking \$89,000 for the property but requests that he be allowed to remain in the housing unit for one additional year while he builds another home.
