Sick and Bereavement Leave

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

Full or part-time educational support personnel who work at least 600 hours per year receive 10 paid sick leave days per year. Part-time employees who work at least half-time are entitled to sick days on the same basis as full-time employees, but the pay will be based on the employee's average number of part-time hours per week. Unused sick leave shall accumulate to a maximum of 180 days, including the leave of the current year. This policy is the District's written plan allowing eligible employees to convert eligible accumulated sick leave to service credit upon a District employee's retirement under the Illinois Municipal Retirement Fund.

Sick leave is defined in State law as personal illness, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, or placement for adoption. The Superintendent and/or designee shall monitor the use of sick leave.

As a condition for paying sick leave after three days absence for personal illness or 30 days for birth or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a chiropractic physician licensed under the Medical Practice Act, (3) ~~an~~ licensed advanced practice registered nurse ~~who has a written collaborative agreement with a collaborating physician that authorizes the advanced practice registered nurse to perform health examinations,~~ PRESSPlus1 (4) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (5) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

The use of paid sick leave for adoption or placement for adoption is limited to 30 days unless a longer leave is provided in an applicable collective bargaining agreement. The Superintendent may require that the employee provide evidence that the formal adoption process is underway.

Vacation

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

The Board believes that employees are granted vacation time for the purpose of enhancing the physical and mental health necessary to be fully productive and happy employees. As such, the Board encourages employees that earn vacation days to utilize those days in furtherance of a healthy life-work balance.

Twelve-month educational support professionals and other twelve month employees who are not members of the bargaining unit and not under a written employment contract shall be entitled to paid vacation as follows:

Length of Employment

Duration of Vacation

From: Beginning July 1 of

Years 1-4

10 Days

Although all days are available "up front" for use by the employees referenced above, the vacation days will be prorated in case of early separation from employment with the District.

From the date of eligibility for vacation days, such vacation days will be earned under the following formula:

- a) From the date of employment, vacation days are earned at a rate of 0.87 days per month to a total of 10 days per year.
- b) After four full years of service, vacation days are earned at a rate of 1.25 days per month to a total of 15 days per year.
- c) After nine full years of service, vacation days are earned at a rate of 1.67 days per month to a total of 20 days per year.

Educational support professionals may carry over up to ten (10) earned but unused vacation days for use during the subsequent fiscal year July 1 - June 30. Unused vacation days from the current year which are not used in the next fiscal year will be forfeited; they do not accumulate.

In accordance with law, the Board will compensate the educational support professional for any vacation time earned but unused vacation days upon termination of service to the district. The compensation will be at the salary rate prevailing at termination.

Twelve-month educational support professionals who are not members of the bargaining unit will be annually entitled to fifteen (15) days of paid sick leave, three (3) days of personal leave and three (3) bereavement days.
