Board Report for February 2025 – Report aligned to 2024-25 Goals

Climate/Culture

- A tier two social, emotional, behavior support team met and discussed next steps to support students now that we have a universal guidance curriculum in place. The team drafted a support process flow chart as well as a behavior support referral form. These were introduced at the Building Council and will be piloted this year before being put into place to start the 25/26 school year. The purpose is to help build lagging skills that our students have.
- Erin B from CESA 11 will be coming to our district to provide a ½ day of professional development on trauma sensitive schools (AM at MS/HS and PM at TCE) to support our focus on student mental health
- Seven students were acknowledged for having perfect attendance for 1st semester

Curriculum and Instruction

- Our math and ELA committees will meet during February's in-service to review the report card updates, see how they align to essential standards, determine additional
- Our school-wide spelling bee took place on Friday, February 7th. After 17 rounds our school-wide champion was Emerson Franko (4th) and runner-up was Evangaline Laack (3rd). The area spelling bee takes place at CESA 11 on Wednesday, February 19th

Facilities/Branding/Safety

- Our district has a partnership with Print Transformations, a company out of Iowa, to help improve the aesthetics of our school with intentional branding. The owner visited and provided a number of ideas after a building walkthrough. Some of the decals have been purchased and added to our library windows with a tentative plan to include more after the painting project has been completed as part of the referendum.

Respectfully submitted by Jerim DesJarlais – Tiffany Creek Elementary
