

## **Cafeteria Monthly Report**

### **December – 2025**

November with its 21 days kept us very busy. During the month of November, we served 3,850 Breakfast meals and 4,510 Lunch meals. We served a total of 8,360 meals to students and 175 staff meal for the month of November. Fun Fact: we sold 823 cookies the month of November.

The annual Thanksgiving Meal Celebration was held on Nov.13<sup>th</sup>. We served 400 student meals, 65 staff meals, 225 adult meals and 9 not in school children meals. We were able to serve 1015 Thanksgiving meals. The celebration is always a great event!

We are so very lucky to have NHS students helping serve in 4 stations. We were also very lucky to have Donna Schuster and ChaCha Stewart helping us serve trays on the serving line. I also want to thank the substitutes that made the event less stressful Maria Rivas, Madison Feagley and Ida Ortiz.

A special shout out to the Central Office staff, Elementary, JH/HS office staff for pitching in. It truly is a One District – One Team Effort.

We will be serving a Christmas lunch for students and staff on December 17<sup>h</sup> on a much smaller scale.

We (the cafeteria ladies) are looking forward to a restful Christmas with family and friends.

Have a Blessed Holiday Season
