LLCI received proposals from 37 subcontractors to cover the 14 trade areas involved in this project. LLCI has qualified each proposed subcontractor, reviewed and verified that proposals cover the scope of work, and assembled a Guaranteed Maximum Price (GMP) for the package. The GMP Summary is attached.

Huckabee and District construction personnel have reviewed LLCI's proposed GMP to verify that it is consistent with the scope of work. LLCI estimates the time to complete the work is 5 months. By contract, the date of substantial completion is July 31, 2025.

The total GMP of \$3,095,956 is the maximum amount that LLCI will receive for the work and items specified in the project. This is \$88,165 over the budget for this scope of work. The primary driver is access to the ceiling over the pool. The District is confident that it can absorb this overage over the course of the bond program.

ARTICLE A.1 GUARANTEED MAXIMUM PRICE

§ A.1.1 Guaranteed Maximum Price

Pursuant to Section 3.2.6 of the Agreement, the Owner and Construction Manager hereby amend the Agreement to establish a Guaranteed Maximum Price. As agreed by the Owner and Construction Manager, the Guaranteed Maximum Price is an amount that the Contract Sum as the term is defined in Article 5.1 of the Agreement, shall not exceed. The Contract Sum consists of the total of the Construction Manager's Fee plus the Cost of the Work, as that term is defined in Article 6 of the Agreement, plus the general conditions as that term is defined in Article 6.1.5 of the Agreement.

ADDITIONS AND DELETIONS:

The author of this document has added information needed for its completion. The author may also have revised the text of the original AIA standard form. An Additions and Deletions Report that notes added information as well as revisions to the standard form text is available from the author and should be reviewed. A vertical line in the left margin of this document indicates where the author has added necessary information and where the author has added to or deleted from the original AIA text.

This document has important legal consequences. Consultation with an attorney is encouraged with respect to its completion or modification.

If the Owner's Contingency is not expended or not fully expended, then any unused portion shall belong to the Owner and shall be credited to the Owner in calculating final payment.
- § A.3.1.5.2 The Guaranteed Maximum Price contains a Contractor's Contingency. The Contractor's Contingency is not allocated to any particular item in the Guaranteed Maximum Price and is established for the Contractor's use as may be required for costs incurred in the Work from unforeseeable causes, or details which could not have been anticipated by the Contractor at the time of the Owner's approval of the Guaranteed Maximum Price. Such unforeseeable causes or unanticipated details include, but are not limited to, refinement of details of design within the scope of standards, quality and quantities which are reasonably inferable from the Construction Documents, the correction of minor defects not relating to design, delays in receipt of materials, and additional costs relating to Subcontractor defaults not reimbursed by the Subcontractor's bonding company. The Contractor, with Owner's representative's written approval, may utilize the Contractor's Contingency for any of the above items within the Guaranteed Maximum Price without the necessity of a Change Order, without constituting a Change in the Scope of the Work, and without resulting in any change in the Guaranteed Maximum Price. Any unforeseeable causes or unanticipated details which exceed the Contractor's Contingency shall be borne by the Contractor at the Contractor's sole risk. All savings will accrue and be available for use, only as detailed above, by the Owner, in Owner's sole and absolute discretion. In the final accounting, all supporting documentation for all uses of the Contractor's Contingency shall be provided to Owner. Upon final accounting, all remaining monies in the Contractor's Contingency shall accrue to the Owner.

Lee Lewis Construction, Inc. Assumptions and Clarifications				
1 We have included VersaTract System Telescoping Bleachers within this GMP.				
2 Building permit is excluded from this GMP.				
3 Testing of materials is excluded from this GMP.				
4 Repairing or replacing existing pool decking is not included within this GMP.				
5 Replastering / remediation of the pool flooring is not included in this GMP.				

No.	Facility	Project Type	Description of Request and Reason
A11.100	SWIM CENTE	Ceiling	Paint ceiling of the natatorium. Large paint chips fall in the water and pool deck on a regular basis. Must remove scoreboard due to dust generated during painting prep process.
A11.101	SWIM CENTE	Basement	Replace and paint all cast iron fire sprinkler lines, Gas Lines and sewer lines due to corrosion
