Dear MR ROBERT KEITH WESTBROOK,

Congratulations! Enclosed in this package are the certificates for the schools in your district recognized by the National Center for Educational Achievement (NCEA) as part of its 2009 Just for the Kids Campaign for Higher Performing Schools in Texas. We wanted to give your district the chance to honor these schools by presenting each with their own certificate.

The full list of the Just for the Kids Higher Performing Schools is available on our Web site, <http://www.nc4ea.org>. The site also features the current Just for the Kids College and Career Readiness Reports for all schools. These reports display the percentage of students reaching NCEA College and Career Readiness Targets.

If you have any questions, please contact the National Center for Educational Achievement by phoning 512.320.1800. Thank you, and congratulations!

Sincerely,
