Photos & Description of Activities and Events

Culture Camp with Pat Lind Artistry Grant. Thank you to the Bristol Bay Foundation for providing this Grant for the Lagoon and for Sara Erickson spearheading this activity. The kids went to the tide pools and did some pretty scientific observations all while learning about the culture and creating bentwood hat earrings through the expertise of Pat Lind.

| Classroom Highlights |
| Elementary and Secondary Classrooms are finishing up their end of levels and enjoying culture camp these last couple weeks of school. They will be having an Art Show and Celebration for the end of the Year on May 2nd. |
| LSAC Activity |
| The LSAC made final decisions on Co-oping options for next school year and made sure to have the culture camp pieces tidied up for when they were going to do culture camp. We have a tentative schedule set for September of next year. LSAC was interested in partnering with Chignik Lagoon Tribal Council to see if we can possibly have the USDA lunch program next school year. |
| Community Engagement |
| <p>Big Shout Out to BBNC for coming down to do the Salmon Color Fun Run. As you can see from the smiles on the faces of the students, this was a fun and meaningful opportunity to learn about health and wellness all while having fun.</p>  |
| Professional Development |
| The Alaska Reads Act and implementation of the intervention program has been a positive addition to our K-5 classroom at the Lagoon! Thanks to Moon McCarley for handling all of these pieces and communicating expectations with guidance. |
| Pupil % Attendance K-12 |
| Attendance for March was at 83% |
| Student and Staff Safety |
| No Safety Concerns at this time, other than Be Bear Aware, Bears are starting to wake up. |
