3. Such a motion shall be filed at least one year prior to the request of effective date of dissolution.

Section 2. Effect of Dissolution

Upon dissolution, Mid-Valley Special Education Cooperative shall not thereafter carry on any business except that necessary to conclude and liquidate its businesses and affairs, including, but not limited to liquidating and/or collecting receivables or causing the honorable dismissal or otherwise terminating the employees of the Mid-Valley Special Education Cooperative and taking such other actions as may be necessary to wind up the affairs of the Mid-Valley Special Education Cooperative.

Section 2.A. Distribution of Assets **Discuss the proportionate share percentages?**

The Cooperative shall return to each then-current member board any unspent Federal IDEA Part B Funds generated by students in the school district (i.e., "carryover"). Once the Mid-Valley Special Education Cooperative has accounted for all of its remaining assets and liabilities, any remaining assets after such accounting and payment of liabilities shall be distributed to each Member District in accordance with the following formula:

Each Member District shall receive a proportionate share of remaining assets based on the number of students enrolled from each Member District in Mid-Valley Special Education in each Cooperative program and/or receiving related services as provided in the most current Fall Housing Reports.

As of the 2009-2010 school year, the proportionate share of each Member District is as follows:

Batavia No. 101	21%
Central No. 301	11%
Kaneland No. 302	17%
St. Charles No. 303	35%

In the event the Mades-Johnstone facility is sold, the proceeds shall be distributed to each Member District pursuant to the above percentages less the amount of that Member District's debt still owed to District 303 in connection with the Series 2004A Debt Certificates as contemplated under the October 25, 2004 Intergovernmental Cooperation Agreement Among Districts (the "Facility Debt"). Any Member District which withdrew or was removed within fifteen (15) years of the sale, shall be entitled to receive its proportionate share of the proceeds as specified above less an equal percent (approximately 6.667%) of such proportionate share for each year since its withdrawal or removal less the amount of the Member District's debt still owed to District 303 in connection with the Facility Debt. In determining the amount to be applied against the proportionate share of a withdrawn or removed Member District, there shall first be determined a price per square foot of the Mades-Johnstone facility based on the sales price and the square footage of the facility at the time of the sale. That price per square foot shall be multiplied by the square footage of the facility as of the effective date of the Member District's withdrawal or removal to ascertain the amount allocable toward the proportionate share due the withdrawn or removed Member District. The Facility Debt shall be payable to District 303 for the express purpose of making the remaining debt payments due on the Series 2004A Debt Certificates. If the amount to be distributed to a Member District as a result of the sale of the facility is greater than the Member District's remaining share of said debt, the Member District shall receive the excess over and above its remaining share of said debt, and that Member District's obligations toward paying its share of the Series 2004A Debt Certificates shall be deemed satisfied. If the amount is less than the Member District's share of said debt, the Member District shall continue to be liable for the balance it owes toward said debt as set forth in Article I, Section 5.C of these Articles of Joint Agreement. The parties shall execute appropriate release and satisfaction of debt instruments to acknowledge the payment of the Member District Facility Debt obligations, or portions thereof, as a result of the sale of the facility.

#### **Article VI - Savings Clause**

In the event that any section or part of these Articles of Joint Agreement violate

any applicable statute or regulation, such section or part of the Articles of Joint Agreement shall be null and void and shall not be binding. To the extent of the purpose of and the ability to operate the Mid-Valley Special Education Cooperative remains unaltered, such partial invalidation of any part of this Joint Agreement shall not in any way affect the validity of the remainder of these Articles of Joint Agreement.
