Subject:	Approve Math Instructional Materials Adoption Committee
Contact Person:	Emily Powell, Director of Math
Policy/Code:	EFAA (LOCAL)
Priority and Performance Objective:	Priority 1: Student Achievement and Post-Secondary Preparedness Objective 1.1: Academic Growth and Development
Summary:	To comply with guidelines established by the State Board of Education, an official instructional materials adoption committee must be selected and approved by the local Board of Trustees. The State Board designates the Superintendent or designee to serve as chairperson of the committee. The majority of the advisory committee will be comprised of classroom teachers who will review and recommend instructional materials for Math (Grades K-12). Sample materials will be sent to each campus for teachers to review and a rating scale will be used in the selection of materials. The results will be reviewed and a selection will be made based on alignment to the GCISD curriculum.
Attachments:	Roster of selection committee members
Recommendation:	The recommendation is for the Board of Trustees to approve the selection committee for the upcoming Math Instructional Materials Adoption Committee.
