

DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois

Regular Meeting November 17, 2025

FOR ACTION

Subject: Approval of Bids for Construction Projects in Bid Group B

In October, invitations to bid on the electrical projects at DuJardin Elementary and landscaping at all three sites were publicly advertised. Bids were submitted and publicly opened at the District Office on Wednesday, November 5. Bulley and Andrews have had meetings with the bidders to confirm their understanding of the scope of the projects that were bid upon. After following the legal process for soliciting public bids for the projects and ensuring the knowledge of the firms who bid on the projects that were bid upon, the attached document indicates the lowest responsive bidder in each part of the projects.

Bulley and Andrews were asked earlier this evening to present this to you and to seek your questions on the results. It is the recommendation of the Administration to approve the lowest responsive bidders as identified in Exhibit A from Bulley & Andrews for the DuJardin Elementary electrical work and landscaping at all three sites as presented.

Recommendation: The Board approve the lowest responsive bidders from Bid Group B as identified in Exhibit A from Bulley & Andrews for the electrical work at DuJardin Elementary and landscaping at all three sites, as presented.
