

**EVALUATION OF SUPERINTENDENT**

The Governing Board shall evaluate the Superintendent at least once each year.

The evaluation(s) shall relate to the Superintendent's duties, responsibilities, and progress toward established goals.

The Superintendent shall provide each member of the Board a copy of the evaluation instrument not later than April 15. The Board President shall schedule a meeting not later than May 30, when the Board will devote an executive session to the evaluation of the Superintendent's performance, to discuss working relationships between the Superintendent and the Board, and to review the Superintendent's contract (with the Superintendent present). If the Superintendent's contract is in its first year, this initial evaluation will not be a comprehensive evaluation, but will be used to allow the Board to communicate its perspective on the Superintendent's performance to date and to allow the Board and the Superintendent to communicate on performance matters.

Additional first-year evaluations may be completed by the Board at the Board's discretion or upon invitation by the Superintendent; however, the first fully comprehensive evaluation will be that which occurs in November of the Superintendent's second year.

Any meetings of the Board to compile evaluations, or meetings to discuss the evaluations with the Superintendent, shall be held in executive session unless the Superintendent requests that any such meeting be held in open session. Board members shall have the opportunity to discuss with the Superintendent any item(s) on which the Board member fails to achieve consensus.

A copy of any written evaluation shall be given to the Superintendent. If in disagreement with such evaluation, the Superintendent may respond in writing to the Governing Board.

Upon the conclusion of the evaluation, the Governing Board may determine whether any changes in the compensation and benefits or contract term of the Superintendent are warranted, subject to the following:

If the Superintendent's contract with the School District is for multiple years, the School District shall not offer to extend or renegotiate the contract no earlier than fifteen (15) months before the expiration of the contract.

If the Superintendent's contract with the School District is for a single year, on or before May 15 of each year the Board shall offer a contract for the next school year to the Superintendent unless on or before April 15 the Board gives notice to

the Superintendent of the Board's intention not to offer a new administrative contract.

The evaluation and any comments by the Superintendent shall become a part of the Superintendent's personnel file.
