5414 Completion Certificates

In lieu of a traditional high school diploma, the Board recognizes completion certificates. Completion certificates are only available to students who are unable to satisfy District and state graduation requirements. A student who earns a completion certificate may participate in commencement and all other District graduation ceremonies and events to the same extent, and subject to the same rules, as students who have earned a traditional high school diploma. Receipt of a completion certificate does not terminate a student's right to a free appropriate public education under the Individuals with Disabilities Education Act.
