Charter Schools	We need more detail as to how waivers will be used to enhance innovative practice and opportunity for students as related to teacher licensure.	Please discuss the qualifications/background of new hires to explain how they will provide a quality educational opportunity for all students.
School Counseling	Waiver #8 4-E.2 and 4-E.1. Please provide detail about who will be delivering counseling services	Will you continue a "Culture Team"? Who will manage student success plans?
Special Education	Cleared all corrective action plans within the allowed timeframe during the last special education monitoring.	
Licensure	If waiving superintendent mentoring, what will be done for support?	10 years? -10 year renewal?
GT & AP	-Section 4 - New Goals - suggest including annual training for all educators in meeting the needs of advanced learners and differentiation for advanced learners.  -Section 6 - New Waiver related to GT states, "the standard curriculum is comprehensive enough to satisfy the academic needs of those students who may be generally identified as needing Gifted and Talented services."	-If the district is now pursuing a waiver related to GT, will students continue to be identified as in need of services? If so, what procedures will be followed to determine the need for services?  -If the standard curriculum is comprehensive enough to satisfy academic needs of gifted students, will there be opportunities for students to accelerate, as needed? How will teachers provide differentiation for students who have mastered the standard curriculum? What training will be provided to teachers to ensure they provide appropriate differentiation for advanced learners?
School Meals	No concerns at this time	
Library Media	No evidence that the library media standards are being taught.	Who is responsible for teaching the library media standards? What training have they recieved in order to teach the standards?
Curriculum	New - Class size waiver - effective teachers able to earn more pay for more students? Is this an effective model, and who determines which teachers are "more effective"?	How will "effective" teachers be selected? If this is a Lead Teacher Model, it should be named and explained (page 30).
