Dear Ms. Antell,

Congratulations to Tomahawk Elementary School for your efforts in implementing an equitable, multi-level system of supports! Creating a system to meet the needs of ALL students is rewarding work that takes the determination of many.

Tomahawk Elementary School is being recognized by the Wisconsin RtI Center and the Wisconsin Department of Public Instruction (DPI) for your implementation in the following area(s):

- **Silver Level: Behavior**

Funded by the Wisconsin DPI, the Wisconsin RtI Center supports schools and districts by providing statewide training and technical assistance. Our mission is to help schools and districts create equitable, responsive systems for all students.

The center's Recognized Schools Program celebrates school progress in expanding, refining, and sustaining implementation of an equitable, multi-level system of supports for improved student outcomes. Schools are recognized at the bronze, silver, gold, or platinum level in the content areas of reading, mathematics, and behavior. Levels indicate the following work progress:

- **Bronze:** At full implementation/fidelity in one content area at the universal level/tier 1 for at least one year
- **Silver:** At full implementation/fidelity in one content area at the universal level/tier 1 for at least two years and at selected level/tier 2 for at least one year
- **Gold:** At full implementation/fidelity in two content areas at the universal/tier 1 and selected/tier 3 levels for at least two years with evidence of improved student outcomes and more equitable systems
- **Platinum:** At full implementation/fidelity in all three content areas, at all three levels, and for at least three years with evidence of improved student outcomes and more equitable systems

The work you have done lays a solid foundation for the future expansion and refinement of your equitable, multi-level system of supports.

Tomahawk Elementary School will receive an awards package as recognition for your efforts. In addition to this letter, items include a digital website badge, mention on the Wisconsin RtI Center's website, and a media kit to assist you in sharing these accomplishments with a variety of stakeholders. Award packages will be distributed at the PBIS Leadership Conference August 14 and 15. For schools not in attendance, award packages will be mailed the following week.

Once more, congratulations to you, your staff, and students! We look forward to supporting you in your continued success, and helping you ensure all your students graduate college and career ready.

Sincerely,

Carolyn Stanford Taylor
Assistant State Superintendent
Division for Learning Support
