**Leave
Administration**

The Superintendent shall develop administrative regulations addressing employee leaves and absences to implement the provisions of this policy.

Definitions

The term "immediate family" is defined as:

Immediate Family

1. Spouse.
2. Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands *in loco parentis*.
3. Parent, stepparent, parent-in-law, or other individual who stands *in loco parentis* to the employee.
4. Sibling, stepsibling, and sibling-in-law.
5. Grandparent and grandchild.
6. Any person residing in the employee's household at the time of illness or death.

For purposes of the Family and Medical Leave Act (FMLA), the definitions of spouse, parent, son or daughter, and next of kin are found in DECA(LEGAL).

Family Emergency

The term "family emergency" shall be limited to disasters and life-threatening situations involving the employee or a member of the employee's immediate family.

Leave Day

A "leave day" for purposes of earning, using, or recording leave shall mean the number of hours per day equivalent to the employee's usual assignment, whether full-time or part-time.

School Year

A "school year" for purposes of earning, using, or recording leave shall mean the term of the employee's annual employment as set by the District for the employee's usual assignment, whether full-time or part-time.

Catastrophic Illness
or Injury

A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee or a member of the employee's immediate family that requires the services of a licensed practitioner for a prolonged period of time and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. Such conditions typically require prolonged hospitalization or recovery or are expected to result in disability or death. Conditions relating to pregnancy or childbirth shall be considered catastrophic if they meet the requirements of this paragraph.

Availability

The District shall make state personal leave and local leave for the current year available for use at the beginning of the school year.

**State Leave
Proration**

If an employee separates from employment with the District before his or her last duty day of the school year or begins employment after the first duty day of the school year, state personal leave shall be prorated based on the actual time employed.

If an employee separates from employment before the last duty day of the school year, the employee's final paycheck shall be reduced for state personal leave the employee used beyond his or her pro rata entitlement for the school year.

Medical Certification

An employee shall submit medical certification of the need for leave if:

1. The employee is absent more than three consecutive workdays because of personal illness or illness in the immediate family;
2. The District requires medical certification due to a questionable pattern of absences or when deemed necessary by the supervisor or Superintendent; or
3. The employee requests FMLA leave for the employee's serious health condition; a serious health condition of the employee's spouse, parent, or child; or for military caregiver leave.

In each case, medical certification shall be made by a health-care provider as defined by the FMLA. [See DECA(LEGAL)]

State Personal Leave

The Board requires employees to differentiate the manner in which state personal leave is used.

**Nondiscretionary
Use**

Nondiscretionary use of leave shall be for the same reasons and in the same manner as state sick leave accumulated before May 30, 1995. [See DEC(LEGAL)]

Nondiscretionary use includes leave related to the birth or placement of a child and taken within the first year after the child's birth, adoption, or foster placement.

Discretionary Use

Discretionary use of leave is at the individual employee's discretion, subject to limitations set out below.

*Request for
Leave*

In deciding whether to approve or deny a request for discretionary use of state personal leave, the supervisor shall not seek or consider the reasons for which an employee requests to use leave. The supervisor shall, however, consider the duration of the requested absence in conjunction with the effect of the employee's absence on the educational program and District operations, as well as the availability of substitutes.

Discretionary use of state personal leave shall not exceed five consecutive workdays.

Local Leave

Each employee shall earn five, six, or seven paid local leave days per school year in accordance with administrative regulations.

Local leave shall accumulate without limit.

Local leave shall be used according to the terms and conditions of state sick leave accumulated before the 1995–96 school year, except that an employee may contribute local leave to a sick leave bank. [See DEC(LEGAL)]

Sick Leave Bank

The District shall establish a sick leave bank that employees may join through contribution of local leave.

Leave contributed to the bank shall be solely for the use of participating employees. An employee who is a member of the bank may request leave from the bank if the employee or a member of the employee's immediate family experiences a catastrophic illness or injury and the employee has exhausted all paid leave and any applicable compensatory time.

The Superintendent shall develop regulations for the operation of the sick leave bank that address the following:

1. Membership in the sick leave bank, including the number of days an employee must contribute to become a member;
2. Procedures to request leave from the sick leave bank;
3. The maximum number of days per school year a member employee may receive from the sick leave bank;
4. The committee or administrator authorized to consider requests for leave from the sick leave bank and criteria for granting requests; and
5. Other procedures deemed necessary for the operation of the sick leave bank.

Appeal

An employee may appeal a decision regarding the sick leave bank in accordance with DGBA(LOCAL), beginning with the Superintendent or appropriate administrator.

The District shall limit military caregiver leave to a combined total of 26 weeks.

The maximum length of temporary disability leave shall be 180 calendar days. [See DBB(LOCAL) for temporary disability leave placement and DEC(LEGAL) for return to active duty.]

**Workers'
Compensation**

Note: Workers' compensation is not a form of leave. The workers' compensation law does not require the continuation of the District's contribution to health insurance.

An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

No Paid Leave
Offset

The District shall not permit the option for paid leave offset in conjunction with workers' compensation income benefits. [See CRE]

Court Appearances

Absences due to compliance with a valid subpoena or for jury duty shall be fully compensated by the District and shall not be deducted from the employee's pay or leave balance.

**Payment for
Accumulated Leave
Upon Separation**

The following leave provisions shall apply to local leave accumulated beginning on the original effective date of this program.

An employee who separates from employment with the District shall be eligible for payment for accumulated local leave under the following conditions:

1. The employee's separation from employment is voluntary, i.e., the employee is retiring or resigning and is not being discharged or nonrenewed.
2. The employee has at least 20 days of available local leave.
3. The employee's resignation is accepted by the Superintendent.

The employee shall receive payment for each day of accumulated local leave at a rate established by the Board. If the employee is reemployed with the District, days for which the employee received payment shall not be available to that employee.

The rate established by the Board shall be in effect until the Board adopts a new rate. Any changes to the rate shall apply beginning with the school year following the adoption of the rate change.
