East Elementary School and two of its second-grade teachers, Mary Salazar and Emily Justice, received recognition for their effective implementation of the state's Bluebonnet reading curriculum. BISD Deputy Superintendent Liesa Land shared feedback from the Texas Education Agency's grant monitors, noting that a November site visit by Region 15 Education Service Center highlighted the school's strong instructional progress and the supportive partnership between campus and district leadership. Salazar and Justice were highlighted for achieving the most significant student growth between the first and third curriculum modules, with their classes showing substantial increases in the percentages of students performing at the "approaches," "meets," and "masters" levels by the end of that period.

The following groups and individuals were recognized by BISD and were presented with certificates highlighting their achievements.

**BISD SPOTLIGHT TEACHERS AND STAFF:** The Brownwood ISD Spotlight recognizes members of the BISD faculty and staff who go the extra mile to ensure excellence in education for all our students. Spotlight recipients are chosen from peer nominations. December 2025 honorees were Coggin Elementary Life Academics teacher Reed Ellett and East Elementary Campus Guardian Sonny Garman.

**BISD HOLIDAY CARD DESIGN WINNERS:** Coggin Elementary second-grade student Abram Delgado and Brownwood High School (BHS) freshman Dayana Cruz Sanchez were recognized as the 2025 BISD Holiday Card Design Contest winners.

**BHS CHOIR:** Twenty-six BHS students were selected for All-Region Choir. Of those, seven students were selected for Area in All-Region Mixed Choir and made it to the third round of All-State auditions.

**BHS LADY LION VOLLEYBALL:** Eleven varsity volleyball players received Academic All-District awards for District 6-4A, with five earning All-District honors.

### **SUPERINTENDENT'S REPORT**

BISD Superintendent Dr. Joe Young provided the following updates:

- Christmas programs and concerts for each campus have been announced and are coming up before the holiday break.
- There will be cost savings on multiple completed projects of the 2023 Bond package, along with interest earned on bond funds. As a result, once all planned work is finished, the district will have additional funds available to enhance projects outlined in the original three bond propositions, which include campus facility improvements, renovations at Gordon Wood Stadium, and upgrades to the Multi-purpose Activity Center (MAC).

### **DEPARTMENTAL REPORTS**

- **Career and Technical Education (CTE) Report:** Information regarding CTE goals, benefits, and details regarding CTE offerings was provided. CTE affords students the opportunity to train for high-skill, high-wage, and high-demand careers. BISD continues to foster the relationships that have been developed with local institutions and industries such as Ranger College, TSTC, Hendrick Medical Center, Bruner Chevrolet, Big Country Ford, and various local pharmacies and nursing homes. Among the CTE programs highlighted were the FAA Drone Pilot Certification, Photography/Graphic Design, Automotive Technology, Education and Training, Welding, Culinary Arts, Health Science, and FFA. Students are also benefitting from hands-on experiences like the 3M Safety Roadshow and new certification offerings including Teaching and Training: Educational Aide, Culinary Arts: Food Protection Manager, Animal Science: Elanco Fundamentals of Animal Science Certificate, and Plant Science: BASF-Plant Certification.
- **Maintenance & Operations Report:** A detailed report was provided that included department changes with a continued focus on finding efficiencies, stream-lining work, processes, and improving work culture. The department was split into four main areas: grounds, athletics, general maintenance, and skilled maintenance. Improvements were listed along with details of the first Maintenance Blitz which significantly reduced the work order backlog. Goals for next year and highlights from work accomplished this year were also noted.
