

Principal Williams reports for 25/26

February Meeting 2/23/26:

2/20 & 2/21: 22 Trees will be planted and staked in our greenhouse field. Ms. Tomko, students and volunteers alike will be joining in to get this done!

I am currently collecting all the transcripts from the previous academic years ensuring all HS transcripts are accurate. Also, working to establish current class names and records align with accuracy.

Semester 1 grading and Semester 2 scheduling has been completed. Students were offered some online elective courses and have been ecstatic in learning topics they choose. *Staff Scheduling committee has met to foster an improved process for forecasting, scheduling, documentation, and Synergy input. The new system will save time and be more accurate, % Master scheduling- Fall 26.

1/27/26 Principal's Coffee- went well discussing some elements of local culture.
