# Superintendent's Report

# Around the Schools

Mrs. Karen Cross at Wilson K-8 worked with her REACH class to create a Thanksgiving Day Ozobot Parade.

The Holaway Coyotes had a blast at their Turkey Trot just before Thanksgiving. Students enjoyed music, dancing, walking and running and had a great time at the event.

# Around the Schools

The District celebrated two special days before Thanksgiving break. November 19, 2021 was Substitute Employee Day, and we thanked all of our subs for the work they do to support students. Keeling Elementary School celebrated the day with some goodies, and other schools honored their subs as well. November 24, 2021 was Kindness Day in the District. Schools and other work sites held all sorts of kindness activities. At right, you see Coronado K-8 students “sprinkling” kindness in their school and community.

# Around the Schools

A few more Kindness Day photos: At left, students at Rio Vista Elementary School attached kindness memories to their fence. At center is an entry in Nash Elementary School's Kindness Day Door decoration contest. At right, check out Painted Sky Elementary School's project. Students painted 400 Kindness Rocks to share with people who need a bit of encouragement.

# Around the Schools

Work has begun on the playground for the new CTE preschool at Amphi High School. Check out the beautiful privacy screens donated by Chasse Building Team. Can't wait to open our doors to students!

# Thank You

Thank you to the employees of Pima Federal Credit Union for their donation to the Amphi Foundation to help our families this Christmas. Also -- a big thank you to the CDO Catalina Jazz Combo, led by director Rane Schmucker. The Combo set the tone for last week's All-Team meeting. Another treat: Ironwood Ridge High School Culinary students put on a delicious breakfast for our principal meeting today. Thank you to the student chefs and their teacher, Chef Jean Gowan.

# He's back!

Amphitheater's favorite elf is back to his annual shenanigans. He has been dropping by each of our schools to see how things are going and to play a bit of a hide-and-seek game. Each day leading up to Winter Break, we post a photo and ask our Facebook and Instagram followers to guess where he is. Anyone know the answer to this one?

The background is a solid blue color with a faint, white, stylized pattern of evergreen tree branches, possibly spruce or fir, scattered across the surface. The branches are thin and delicate, creating a subtle, textured effect.

# The Pandemic and Mitigation Efforts

# Quick Review of Data

Pandemic Status

# Pima County Data – Entire Pandemic

TOTAL CASES  
**126,129**

TOTAL DEATHS  
**2,486**

# Moving Forward

- Upcoming meeting with PCHD
- Development of criteria for ending mask mitigation
- Solicitation of input regarding masks
- Continuation of other mitigation efforts
- Primary Goal: Keeping classrooms and schools open
