BUILDINGS/GROUNDS

Facilities Committee

The Facilities Committee met on April 15th. The minutes are attached below.

School Update

The school is finally nearing completion. We are going to have our final walk through on May 14th. We will walk the building with the Architects, Poettker and the Engineers to make sure we are satisfied with everything. The furniture will be installed after that on May 20th. Once the furniture is installed, we will begin moving in to the school. I have attached a few photos of the project.

See Facilities minutes for the rest of my report.
