Good Afternoon,

The following are the responses and/or requested information pertaining to your FOIA request.

1. Names and Salaries of All Current School Board Members on all levels – We request this information so that, if a violation occurs, we can identify which members may have been involved in potentially infringing on our rights.

All school board members can be found on our website **HERE** or in the link below. School board members are elected positions that are not compensated.

2. Emails of the School Board – We request all sent, received, and forwarded emails from all members from August 5, 2024, to November 5, 2024, with just mentioning 4 keywords: "required" & "ComfyKnowledge" & "policy" & "policies".

Emails are attached to this email.

3. Relevant Policies Governing Public Participation – Please provide any board policies related to requirements for public participation in meetings. If providing all relevant policies presents an undue burden, please prioritize the sections mandating personal information (such as name, phone number, or email) for speaking or receiving a response after the meeting.
