On Friday, March 5, 2021 at 2 pm, Craig City School District received a bid for the Craig High School Biomass Project. A total of one (1) Bid was received. The bid included the required submittal items, acknowledged receipt of all addenda, and appeared to be a responsive bid.

After evaluating the received bid in accordance with the bid requirements, the bid submitted by CBC Construction. for a total bid of \$1,531,078.00 was determined to be the lowest bid. However, Craig City School District's available funding for the project is not sufficient to award the project.
