

## Action to Approve Budget Amendments

### **BACKGROUND INFORMATION / SIGNIFICANT ISSUES**

During the year, it is often necessary to redirect funds due to changes in programs, unexpected expenses, or development of new programs.

### **FINANCIAL IMPACT**

Movement of funds from one expense area to another allows the opportunity for redirection of funds without increase or decrease in net budget. At times, it is necessary to amend the budget in such a way that will affect the net amount of the budget. When that happens, that change is clearly noted in the paperwork accompanying the recommended amendment.

### **SUPERINTENDENT RECOMMENDATION**

I recommend that the Board approve the recommended budget amendments
