Re: High School Principal Report March 2021

Greetings from HHS!

March hopefully will bring some more “Spring Time” weather for us as spring sports are in full swing and students get geared up for a strong finish. Our staff continues to prepare students for several upcoming assessments in the coming months. Those assessments include the ACT, SAT, and ISAT. We are continuing to utilize ISAT Interim Assessments to help students fill in the blanks or to help them build on prior knowledge in preparation for the ISAT state assessment. We are in our final two weeks of the 3rd quarter. Please check in with your student and monitor their progress as we finish the 3rd quarter.

As we continue to work with PBIS in our school, we continue to focus on Respect, Responsibility, Safety, Positive Attitudes, and Grit. This month we will be focusing on Safety, both on a personal level as well as school wide. Our hope, as it has been each month, is to continue to build up our school culture as we work with students in character building and becoming well rounded productive citizens. The academic skills along with the life skills we address on a daily basis are what we feel will help our students in reaching their dreams. Thank you for your continued support of Homedale High School!
