Subject: Review 2018-2019 Campus Plans

Presenter: Principals/Angela Boyd

Rationale: It is mandated that a campus must create an improvement plan each year. HISD principals along with their staff, parents and community members look at the greatest needs for each of their campuses. Utilizing data, input and the District Improvement Plan, plans are created to address needs. Strategies are developed within the plans to reach goals and then progress toward those goals is monitored throughout the school year.

Attached for review is the campus plan for each campus.
