Re: 2013 Bond Quarterly Dashboard Report

I would like to request adding an agenda item to the October 15, 2018 Committee of the Whole meeting for Plante Moran CRESA to report out to the Board of Education the Quarterly Dashboard Report for the 2013 bond projects (through June 30, 2018). This will be Plante Moran CRESA's general report for the second quarter of 2018.

Thank you.
