Total Current Enrollment at Sheridan AllPrep Academy: 91

January was an extremely busy month! We held our first mid-year Open House, where we celebrated our students' successes, expressed appreciation to our parents, and provided opportunities to ask questions and/or express concerns. We also provided a spaghetti dinner and raffle prizes to make the night well-rounded.

We experienced increased student movement with several students re-enrolling after being dropped for non-attendance. In order to help more of the students who are having a difficult time due to motivation (many are students who should have graduated by now), we are helping them build connections with the YOOP Program (Youth Opportunity) in McMinnville. This group rewards students with small gift cards and supports them with additional tutoring and post high school training. We are also hoping the legislature approves funding for the Career and Technical Education Revitalization grant, so we can apply for funds that will help us develop some project-based learning for the juniors and seniors attending Sheridan AllPrep Academy.

Respectfully Submitted,

Lori Bogen, Principal
Sheridan AllPrep Academy
