

Questions from Gilbert Rodriguez:

## PRESENTATIONS / REPORTS

1. West Campus High School registration is scheduled for August 7<sup>th</sup> 5:00pm-7:00pm, August 15<sup>th</sup> last name A-M 8:30am-11:30am, and August 16<sup>th</sup> last name N-Z 1:00pm-4:00pm. The mailer states "Registration must be completed ONLINE". Are the noted dates and times when the online registration will be available? Or will there be registration on those dates and times at West Campus High School?

Registration is available both online and in-person. We will have a team available at West Campus for all days listed. The receptionist (and anyone who sits in that role throughout the day) has access to the list of paper to call upon to help a parent & student register.

2. On the district website located at <https://www.southsanisd.net/Page/1287> there is a link that states

"Not sure which school? Find your campus here." That link directs you to South San Antonio ISD infoFinder i located at <https://www.infofinderi.com/ifi/?cid=SSA11HKJL3UCC>. Entering a street address in the 78242 zip code only yields results listing South San High School. These results should list West Campus High School for 09 – Grade 09. Why is that not the case?

The reason West Campus will not populate in infoFinder is that West Campus and South San will have the same school code this year. Each night when the student information is uploaded into the program any changes revert to the back to South San High School.

In the meantime, the school clerks, administrators, and counselors know that West Campus may be an option for any incoming 9th-graders--even those not zoned to it. (e.g. an incoming 9th-grader at SSHA who wishes to attend WC may request to do so)

3. On the district website located at <https://www.southsanisd.net/Page/1287> there is no West Campus High School listed under **REIS-REGISTRATION & ENROLLMENT INFORMATION** on the left menu. Why is West Campus High School not listed?

It has now been added as an option in the list of schools on the left menu.

4. On the district website homepage located at <https://www.southsanisd.net/Page/1> there is no West Campus High School listed under the **SELECT A SCHOOL** menu located at the top right corner of the webpage. Why is West Camus High School not listed?

Division of Academics is looking into the issue.

5. On what date will the social media accounts be available for Athens Elementary, Kazen Middle School, and West Campus High School? (Twitter, Instagram, FaceBook)

\*Athens ES does have existing Twitter and FaceBook social media accounts\*

Creating social media accounts is a campus level decision. The principals determine what date they will go live at their campus.
