**Name:** Rebecca Miller-Rice, Arkansas Bureau of Legislative Research

**Comment:** Section 1.01 -- It may be one of the strike-throughs, but if not, I believe that "§ 6-15-441" was repealed by Act 930 of 2017, § 1.

**Agency Response:** Comment considered. No change made. The section was already struck-through, but it was not clear in the copy originally provided. An updated copy has been provided.
