SECTION 4. CHARACTERISTICS OF THE BONDS; APPROVAL OF PAYING AGENT/REGISTRAR AGREEMENT. (a) Registration, Transfer, and Exchange; Authentication. The District shall keep or cause to be kept at the designated corporate trust office of *Wells Fargo Bank, N.A., Austin, Texas* (the "**Paying Agent/Registrar**") books or records for the registration of the transfer and exchange of the Bonds (the "**Registration Books**"), and the District hereby appoints the Paying Agent/Registrar as its registrar and transfer agent to keep such books or records and make such registrations of transfers and exchanges under such reasonable regulations as the District and Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make such registrations, transfers and exchanges as herein provided. Attached hereto as *Exhibit A* is a copy of the Paying Agent/Registrar Agreement between the District and the Paying Agent/Registrar which is hereby approved in substantially final form, and the President and Secretary of the Board of Trustees of the District are hereby authorized to execute the Paying Agent/Registrar Agreement and approve any changes in the final form thereof.

The Paying Agent/Registrar shall obtain and record in the Registration Books the address of the registered owner of each Bond to which payments with respect to the Bonds shall be mailed, as herein provided; but it shall be the duty of each registered owner to notify the Paying Agent/Registrar in writing of the address to which payments shall be mailed, and such interest payments shall not be mailed unless such notice has been given. To the extent possible and under reasonable circumstances, all transfers of Bonds shall be made within three business days after

request and presentation thereof. The District shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. The Paying Agent/Registrar's standard or customary fees and charges for making such registration, transfer, exchange and delivery of a substitute Bond or Bonds shall be paid as provided in the FORM BOND set forth in this Order. Registration of assignments, transfers and exchanges of Bonds shall be made in the manner provided and with the effect stated in the FORM OF BOND set forth in this Order. Each substitute Bond shall bear a letter and/or number to distinguish it from each other Bond.

Except as provided in (c) below, an authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Bond, date and manually sign the Paying Agent/Registrar's Authentication Certificate, and no such Bond shall be deemed to be issued or outstanding unless such Certificate is so executed. The Paying Agent/Registrar promptly shall cancel all paid Bonds and Bonds surrendered for transfer and exchange. No additional ordinances, orders, or resolutions need be passed or adopted by the governing body of the District or any other body or person so as to accomplish the foregoing transfer and exchange of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution, and delivery of the substitute Bonds in the manner prescribed herein, and said Bonds shall be of type composition printed on paper with lithographed or steel engraved borders of customary weight and strength. Pursuant to Chapter 1201, Texas Government Code, and particularly Subchapter D and Section 1201.067 thereof, the duty of transfer and exchange of Bonds as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of said Certificate, the transferred and exchanged Bond shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Bonds which initially were issued and delivered pursuant to this Order, approved by the Attorney General, and registered by the Comptroller of Public Accounts.

(b) Payment of Bonds and Interest. The District hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Bonds, all as provided in this Order. The Paying Agent/Registrar shall keep proper records of all payments made by the District and the Paying Agent/Registrar with respect to the Bonds.

(c) In General. The Bonds (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Bonds to be payable only to the registered owners thereof, (ii) may be redeemed prior to their scheduled maturities (notice of which shall be given to the Paying Agent/Registrar by the District at least 50 days prior to any such redemption date), (iii) may be transferred and assigned, (iv) may be exchanged for other Bonds, (v) shall have the characteristics, (vi) shall be signed, sealed, executed and authenticated, (vii) shall be payable as to principal and interest, and (viii) shall be administered and the Paying Agent/Registrar and the District shall have certain duties and responsibilities with respect to the Bonds, all as provided, and in the manner and to the effect as required or indicated, in the FORM OF BOND set forth in this Order. The Initial Bond is not required to be, and shall not be, authenticated by the Paying Agent/Registrar, but on each substitute Bond issued in exchange for the Initial Bond issued under this Order the Paying Agent/Registrar shall execute the PAYING AGENT/REGISTRAR'S AUTHENTICATION CERTIFICATE, in the form set forth in the FORM OF BOND. In lieu of the executed Paying Agent/Registrar's Authentication Certificate described above, the Initial Bond delivered on the closing date (as further described in subparagraph (i) below) shall have attached thereto the Comptroller's Registration Certificate substantially in the form set forth in the FORM OF

BOND below, manually executed by the Comptroller of Public Accounts of the State of Texas or by her duly authorized agent, which certificate shall be evidence that the Initial Bond has been duly approved by the Attorney General of the State of Texas and that it is a valid and binding obligation of the District, and has been registered by the Comptroller.

(d) Substitute Paying Agent/Registrar. The District covenants with the registered owners of the Bonds that at all times while the Bonds are outstanding the District will provide a competent and legally qualified bank, trust company, financial institution, or other entity to act as and perform the services of Paying Agent/Registrar for the Bonds under this Order, and that the Paying Agent/Registrar will be one entity and shall be an entity registered with the Securities and Exchange Commission. The District reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 120 days written notice to the Paying Agent/Registrar, to be effective not later than 60 days prior to the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the District covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Order. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Bonds, to the new Paying Agent/Registrar designated and appointed by the District. Upon any change in the Paying Agent/Registrar, the District promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Bonds, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Order, and a certified copy of this Order shall be delivered to each Paying Agent/Registrar.

(e) Book-Entry Only System for Bonds. The Bonds issued in exchange for the Bonds initially issued to the purchaser specified in Section 15 herein shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company of New York ("**DTC**"), and except as provided in subsection (i) hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the District and the Paying Agent/Registrar shall have no responsibility or obligation to any securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations on whose behalf DTC was created ("**DTC Participant**") to hold securities to facilitate the clearance and settlement of securities transaction among DTC Participants or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of the Bonds, as shown on the Registration Books, of any notice with respect to the Bonds, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of Bonds, as shown in the Registration Books of any amount with respect to principal of or interest on the Bonds. Notwithstanding any other provision of this Order to the contrary, the District and the Paying Agent/Registrar shall be entitled to treat and consider the

person in whose name each Bond is registered in the Registration Books as the absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Bonds only to or upon the Order of the registered owners, as shown in the Registration Books as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner, as shown in the Registration Books, shall receive a Bond certificate evidencing the obligation of the District to make payments of principal and interest pursuant to this Order. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Order with respect to interest checks being mailed to the registered owner at the close of business on the Record Date, the words "Cede & Co." in this Order shall refer to such new nominee of DTC.

(f) Successor Securities Depository; Transfers Outside Book-Entry Only Systems. In the event that the District determines that DTC is incapable of discharging its responsibilities described herein and in the representation letter of the District to DTC or that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the District shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names registered owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Order.

(g) Payments to Cede & Co. Notwithstanding any other provision of this Order to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee for DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the representation letter of the District to DTC.

(h) DTC Letter of Representation. The officers of the District are herein authorized for and on behalf of the District and as officers of the District to enter into one or more Letters of Representation with DTC establishing the book-entry only system with respect to the Bonds.

(i) Delivery of Initial Bond. On the closing date, one Initial Bond representing the entire principal amount of the respective series of Bonds, payable in stated installments to the initial registered owner named in Section 15 of this Order or its designee, executed by manual or facsimile signature of the President or Vice President and the Secretary of the Board of Trustees of the District, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas, will be delivered to the initial purchaser or its designee. Upon payment for the Initial Bond, the Paying Agent/Registrar shall cancel the Initial Bond and deliver to the initial registered owner or its designee one registered definitive Bond for

each year of maturity of the Bonds, in the aggregate principal amount of all of the Bonds for such maturity.

SECTION 5. FORM OF BOND. The form of the Bonds, including the form of Paying Agent/Registrar's Authentication Certificate, the form of Assignment, and the form of Registration Certificate of the Comptroller of Public Accounts of the State of Texas (to be attached only to the Bonds initially issued and delivered pursuant to this Order), shall be, respectively, substantially as follows, with such appropriate variations, omissions, or insertions as are permitted or required by this Order.

THE PRINCIPAL OF AND INTEREST ON this Bond are payable in lawful money of the United States of America, without exchange or collection charges. The principal of this Bond shall be paid to the Registered Owner hereof upon presentation and surrender of this Bond at maturity or upon the date fixed for redemption prior to maturity, at the designated trust office of **Wells Fargo Bank, N.A., Austin, Texas**, which is the "**Paying Agent/Registrar**" for this Bond. The payment of interest on this Bond shall be made by the Paying Agent/Registrar to the Registered Owner hereof on each interest payment date by check, dated as of such interest payment date, drawn by the Paying Agent/Registrar on, and payable solely from, funds of the District required by the Order authorizing the issuance of this Bond (the "**Order**") to be on deposit with the Paying Agent/Registrar for such purpose as hereinafter provided; and such check shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, on each such interest payment date, to the Registered Owner hereof, at its address as it appeared on the last business day of the month next preceding each such date (the "**Record Date**") on the Registration Books kept by the Paying Agent/Registrar, as hereinafter described. In the event of a non-payment of interest on a scheduled payment date, and for 30 days thereafter, a new record date for such interest payment (a "**Special Record Date**") will be established by the Paying Agent/Registrar if and when funds for the payment of such interest have been received from the District. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "**Special Payment Date**" which shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first class, postage prepaid, to the address of each Registered Owner appearing on the Registration Books of the Paying Agent/Registrar at the close of business on the last business day next preceding the date of mailing of such notice. Any accrued interest due upon the redemption of this Bond prior to maturity as provided herein shall be paid to the Registered Owner upon presentation and surrender of this Bond for redemption and payment at the designated corporate trust office of the Paying Agent/Registrar (unless the redemption date is a regularly scheduled interest payment date, in which case accrued interest on such redeemed Bonds shall be payable in the regular manner described above). The District covenants with the Registered Owner of this Bond that on or before each principal payment date, interest payment date and accrued interest payment date for this Bond it will make available to the Paying Agent/Registrar, from the "Interest and Sinking Fund" created by the Order, the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bonds, when due.

IF THE DATE for the payment of the principal of or interest on this Bond shall be a Saturday, Sunday, legal holiday, or day on which banking institutions in the city where the Paying Agent/Registrar is located are authorized by law or executive order to close, or the United States Postal Service is not open for business, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to close, or the United States Postal Service is not open for business; and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS BOND is one of a series of Bonds dated as of September 1, 2008, authorized in accordance with the Constitution and laws of the State of Texas in the aggregate principal amount of **\$12,000,000 FOR THE PURPOSE OF THE CONSTRUCTION, ACQUISITION, AND EQUIPPING OF SCHOOL BUILDINGS IN THE DISTRICT AND THE PURCHASE OF NEW SCHOOL BUSES, AND PAYING COSTS OF ISSUANCE.**

ON AUGUST 15, 2018, or on any date thereafter, the Bonds of this Series maturing on and after *August 15, 2019*, may be redeemed prior to their scheduled maturities, at the option of the District, with funds derived from any available and lawful source, as a whole, or in part (provided that a portion of a Bond may be redeemed only in an integral multiple of \$5,000), at the redemption price of the principal amount of Bonds called for redemption, plus accrued interest thereon to the date fixed for redemption. The District shall determine the maturity or maturities, and the principal amount of Bonds within each maturity, to be redeemed. If less than all Bonds of a maturity are to be redeemed, the particular Bonds to be redeemed shall be selected by the Paying Agent/Registrar at random and by lot.

ADDITIONALLY, THE BONDS maturing on August 15 in the years ____ and ____ (collectively, the "**Term Bonds**") are subject to mandatory redemption prior to maturity in part by lot, at a price equal to the principal amount thereof plus accrued interest to the date of redemption, on August 15 in the respective years and principal amounts shown below:

<u>TERM BONDS MATURING AUGUST 15,</u>		<u>TERM BONDS MATURING AUGUST 15,</u>	
<u>Mandatory Redemption Date</u>	<u>Redemption Amount</u>	<u>Mandatory Redemption Date</u>	<u>Redemption Amount</u>
August 15, ____	\$	August 15, ____	\$
August 15, ____		August 15, ____	
August 15, ____ (maturity)		August 15, ____ (maturity)	

The principal amount of the Term Bonds required to be redeemed pursuant to the operation of such mandatory redemption requirements may be reduced, at the option of the District, by the principal amount of any such Term Bonds which, prior to the date of the mailing of notice of such mandatory redemption, (i) shall have been acquired by the District and delivered to the Paying Agent/Registrar for cancellation, (ii) shall have been purchased and canceled by the Paying Agent/Registrar at the request of the District, or (iii) shall have been redeemed pursuant to the optional redemption provisions described in the preceding paragraph and not theretofore credited against a mandatory redemption requirement.

AT LEAST 30 DAYS prior to the date fixed for any redemption of Bonds or portions thereof prior to maturity, a written notice of such redemption shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid to the Registered Owner of each Bond to be redeemed at its address as it appeared on the Registration Books maintained by the Paying Agent/Registrar on the day such notice of redemption is mailed. Any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Registered Owner. By the date fixed for any such redemption, due provision shall be made with the Paying Agent/Registrar for the payment of the required redemption price for the Bonds or portions thereof which are to be so redeemed. If such written notice of redemption is mailed and if due provision for such payment is made, all as provided above, the Bonds or portions thereof

which are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the Registered Owner to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment. If a portion of any Bond shall be redeemed a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any denomination or denominations in any integral multiple of \$5,000, at the written request of the Registered Owner, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Registered Owner upon the surrender thereof for cancellation, at the expense of the District, all as provided in the Order.

ALL BONDS OF THIS SERIES are issuable solely as fully registered Bonds, without interest coupons, in the denomination of any integral multiple of \$5,000. As provided in the Order, this Bond, may, at the request of the Registered Owner or the assignee or assignees hereof, be assigned, transferred and exchanged for a like aggregate principal amount of fully registered Bonds, without interest coupons, payable to the appropriate Registered Owner, assignee or assignees, as the case may be, having the same denomination or denominations in any integral multiple of \$5,000 as requested in writing by the appropriate Registered Owner, assignee or assignees, as the case may be, upon surrender of this Bond to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Order. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any integral multiple of \$5,000 to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be registered. The form of Assignment printed or endorsed on this Bond may be executed by the Registered Owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the Registered Owner. The Paying Agent/Registrar's reasonable standard or customary fees and charges for transferring and exchanging any Bond or portion thereof shall be paid by the District, but any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer or exchange as a condition precedent to the exercise of such privilege. The Paying Agent/Registrar shall not be required to make any such transfer or exchange during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date.

WHENEVER THE BENEFICIAL OWNERSHIP of this Bond is determined by a book entry at a securities depository for the Bonds, the foregoing requirements of holding, delivering or transferring this Bond shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the District, resigns, or otherwise ceases to act as such, the District has covenanted in the Order that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the Registered Owners of the Bonds.

IT IS HEREBY certified, recited, and covenanted that this Bond has been duly and validly authorized, issued, and delivered; that all acts, conditions, and things required or proper to be performed, exist, and be done precedent to or in the authorization, issuance, and delivery of this Bond have been performed, existed, and been done in accordance with law; that this Bond is a general obligation of the District, issued on the full faith and credit thereof; and that ad valorem taxes sufficient to provide for the payment of the interest on and principal of this Bond, as such interest comes due, and as such principal matures, have been levied and ordered to be levied against all taxable property in the District, and have been pledged for such payment, without limit as to rate or amount, all as provided in the Order authorizing the Bonds.

THE DISTRICT also has reserved the right to amend the Order as provided therein, and under some (but not all) circumstances amendments thereto must be approved by the registered owners of a majority in aggregate principal amount of the outstanding Bonds.

BY BECOMING the Registered Owner of this Bond, the Registered Owner thereby acknowledges all of the terms and provisions of the Order, agrees to be bound by such terms and provisions, acknowledges that the Order is duly recorded and available for inspection in the official minutes and records of the governing body of the District, and agrees that the terms and provisions of this Bond and the Order constitute a contract between each Registered Owner hereof and the District.

IN WITNESS WHEREOF, the District has caused this Bond to be signed with the manual or facsimile signature of the President or Vice President of the Board of Trustees of the District, and countersigned with the manual or facsimile signature of the Secretary of the Board of Trustees of the District, and the official seal of the District has been duly impressed, or placed in facsimile, on this Bond.

(C) The Initial Bond shall be numbered "T-1."

SECTION 6. INTEREST AND SINKING FUND; TAX LEVY. A special Interest and Sinking Fund for the Bonds (the "*Interest and Sinking Fund*") is hereby created solely for the benefit of the Bonds, and the Interest and Sinking Fund shall be established and maintained by the District at an official depository bank of the District. The Interest and Sinking Fund shall be kept separate and apart from all other funds and accounts of the District, and shall be used only for paying the interest on and principal of the Bonds. All ad valorem taxes levied and collected for and on account of the Bonds shall be deposited, as collected, to the credit of the Interest and Sinking Fund. During each year while any of the Bonds or interest thereon are outstanding and unpaid, the District shall compute and ascertain a rate and amount of ad valorem tax which will be sufficient to raise and produce the money required to pay the interest on the Bonds as such interest comes due, and to provide and maintain a sinking fund adequate to pay the principal of its Bonds as such principal matures; and said tax shall be based on the latest approved tax rolls of the District, with full allowance being made for tax delinquencies and the cost of tax collection. Said rate and amount of ad valorem tax is hereby levied, and is hereby ordered to be levied, against all taxable property in the District for each year while any of the Bonds or interest thereon are outstanding and unpaid; and said tax shall be assessed and collected each such year and deposited to the credit of the respective Interest and Sinking Fund. Said ad valorem taxes sufficient to provide for the payment of the interest on and principal of the Bonds, as such interest comes due and such principal matures, are hereby pledged for such payment, without limit as to rate or amount.

SECTION 7. CONSTRUCTION FUND. There is hereby created and established in the depository of the District, a fund to be called the *Beeville Independent School District Unlimited Tax School Building Bonds (Series 2008) Construction Fund* (herein called the "*Construction Fund*"). Proceeds from the sale and delivery of the Bonds (other than proceeds representing accrued interest on the Bonds and any premium on the Bonds that is not used by the District to pay costs of issuance in accordance with the provisions of Section 1201.042(d), Texas Government Code, as amended, which shall be deposited in the Interest and Sinking Fund) shall be deposited in the Construction Fund. Money in the Construction Fund shall be subject to disbursements by the District for payment of all costs incurred in carrying out the purpose for which the Bonds are issued, including but not limited to costs for construction, engineering, architecture, financing, financial consultants and legal services related to the project being financed with proceeds of the Bonds and the issuance of the Bonds. All funds remaining on deposit in the Construction Fund upon completion of the projects

being financed with the proceeds from the Bonds, if any, shall be transferred to the Interest and Sinking Fund.

SECTION 8. INVESTMENTS. Funds on deposit in the Interest and Sinking Fund and the Construction Fund shall be secured by the depository bank of the District in the manner and to the extent required by law to secure other public funds of the District and may be invested from time to time in any investment authorized by applicable law, including but not limited to the Public Funds Investment Act (Chapter 2256, Texas Government Code), and the District's investment policy adopted in accordance with the provisions of the Public Funds Investment Act; provided, however, that investments purchased for and held in the Interest and Sinking Fund shall have a final maturity no later than the next principal or interest payment date for which such funds are required, and investments purchased for and held in the Construction Fund shall have a final maturity of not later than the date the District reasonably expects the funds from such investments will be required to pay costs of the projects for which the Bonds were issued. Income and profits from such investments shall be deposited in the respective Fund which holds such investments; however, any such income and profits from investments in the Construction Fund may be withdrawn by the District and deposited in the Interest and Sinking Fund to pay all or a portion of the interest next coming due on the Bonds. It is further provided, however, that any interest earnings on Bond proceeds which are required to be rebated to the United States of America pursuant to Section 13 hereof in order to prevent the Bonds from being arbitrage bonds shall be so rebated and not considered as interest earnings for the purposes of this Section.

SECTION 9. EMPOWERED. The Superintendent and the Assistant Superintendent for Finance and Operations are hereby ordered to do any and all things necessary to accomplish the transfer of monies to the Interest and Sinking Fund of this issue in ample time to pay such items of principal and interest.

SECTION 10. DEFEASANCE OF THE BONDS. (a) Any Bond and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a "*Defeased Bond*") within the meaning of this Order, except to the extent provided in subsection (d) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other instrument (the "*Future Escrow Agreement*") for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the District with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes herein levied and pledged as provided in this Order, and such principal and interest shall be payable solely from such money or Defeasance Securities. Notwithstanding any other provision of this Order to the contrary, it is hereby provided that any determination not to redeem Defeased Bonds that is made in conjunction with the payment arrangements specified in subsection (a)(i) or (ii) of this Section shall not be irrevocable, provided that: (1) in the proceedings providing for such payment arrangements, the District expressly reserves the right to call the Defeased Bonds

for redemption; (2) gives notice of the reservation of that right to the owners of the Defeased Bonds immediately following the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the District be invested in Defeasance Securities, maturing in the amounts and times as hereinbefore set forth, and all income from such Defeasance Securities received by the Paying Agent/Registrar that is not required for the payment of the Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the District, or deposited as directed in writing by the District. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Bonds may contain provisions permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements specified in subsection (a)(i) or (ii) of this Section. All income from such Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Bonds, with respect to which such money has been so deposited, shall be remitted to the District or deposited as directed in writing by the District.

(c) The term "*Defeasance Securities*" means (i) direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America, (ii) noncallable obligations of an agency or instrumentality of the United States of America, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality and that, on the date of the purchase thereof are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent, (iii) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date on the date the governing body of the District adopts or approves the proceedings authorizing the financial arrangements are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent, and (iv) any other then authorized securities or obligations under applicable state law that may be used to defease obligations such as the Bonds.

(d) Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the District shall make proper arrangements to provide and pay for such services as required by this Order.

(e) In the event that the District elects to defease less than all of the principal amount of Bonds of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Bonds by such random method as it deems fair and appropriate.

SECTION 11. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS. (a) *Replacement Bonds.* In the event any outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) *Application for Replacement Bonds.* Application for replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made by the registered owner thereof to the Paying

Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the registered owner applying for a replacement bond shall furnish to the District and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the registered owner shall furnish to the District and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond, as the case may be. In every case of damage or mutilation of a Bond, the registered owner shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) *No Default Occurred.* Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Bond, the District may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) *Charge for Issuing Replacement Bonds.* Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the registered owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the District whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Order equally and proportionately with any and all other Bonds duly issued under this Order.

(e) *Authority for Issuing Replacement Bonds.* In accordance with Chapter 1201, Texas Government Code, as amended, this Section of this Order shall constitute authority for the issuance of any such replacement bond without necessity of further action by the governing body of the District or any other body or person, and the duty of the replacement of such bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in Section 4(a) of this Order for Bonds issued in exchange for other Bonds.

SECTION 12. CUSTODY, APPROVAL, AND REGISTRATION OF THE BONDS; BOND COUNSEL'S OPINION, AND CUSIP NUMBERS. The President of the Board of Trustees of the District is hereby authorized to have control of the Bonds initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Bonds pending their delivery and their investigation, examination, and approval by the Attorney General of the State of Texas, and their registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Bonds said Comptroller of Public Accounts (or a deputy designated in writing to act for said Comptroller) shall manually sign the Comptroller's Registration Certificate attached to such Bonds, and the seal of said Comptroller shall be impressed, or placed in facsimile, on such Certificate. The approving legal opinion of the District's Bond Counsel (with an appropriate certificate pertaining thereto executed by facsimile signature of the Secretary of the Board of Trustees of the District) and the assigned CUSIP numbers may, at the option of the District, be printed on the Bonds issued and delivered under this Order, but neither shall have any legal effect, and shall be solely for the convenience and information of the registered owners of the Bonds. In addition, if bond insurance is obtained or the Bonds are guaranteed by the Texas Permanent School Fund

pursuant to applicable law, the Bonds may bear an appropriate legend as provided by the insurer or the Texas Education Agency, as the case may be.

SECTION 13. COVENANTS REGARDING TAX-EXEMPTION OF INTEREST ON THE BONDS. (a) Covenants. The District covenants to take any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the Bonds as obligations described in section 103 of the Internal Revenue Code of 1986, as amended (the "*Code*"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the District covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds of the Bonds or the projects financed therewith are so used, such amounts, whether or not received by the District, with respect to such private business use, do not, under the terms of this Order or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action which would otherwise result in the Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with --

(A) proceeds of the Bonds invested for a reasonable temporary period of three years or less until such proceeds are needed for the purpose for which the Bond are issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(7) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the Code (relating to advance refundings); and

(8) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

(b) Rebate Fund. In order to facilitate compliance with the above covenant (8), a "Rebate Fund" is hereby established by the District for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) Proceeds. The District understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Bonds. It is the understanding of the District that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Bonds, the District will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the District agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of such intention, the District hereby authorizes and directs the President or Vice President of the Board of Trustees, the Superintendent or the Assistant Superintendent for Finance and Operations of the District to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the District, which may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds.

(d) Allocation of, and Limitation on, Expenditures for the Project. The District covenants to account for the expenditure of sale proceeds and investment earnings to be used for the purposes described in Section 1 of this Order (collectively referred to herein as the "**Project**") on its books and

records in accordance with the requirements of the Internal Revenue Code. The District recognizes that in order for the proceeds to be considered used for the reimbursement of costs, the proceeds must be allocated to expenditures within 18 months of the later of the date that (1) the expenditure is made, or (2) the Project is completed; but in no event later than three years after the date on which the original expenditure is paid. The foregoing notwithstanding, the District recognizes that in order for proceeds to be expended under the Internal Revenue Code, the sale proceeds or investment earnings must be expended no more than 60 days after the earlier of (1) the fifth anniversary of the delivery of the Bonds, or (2) the date the Bonds are retired. The District agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of the Bonds. For purposes hereof, the District shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) Disposition of Project. The District covenants that the property constituting the projects financed or refinanced with the proceeds of the Bonds will not be sold or otherwise disposed in a transaction resulting in the receipt by the District of cash or other compensation, unless the District obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the District shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

SECTION 14. CONTINUING DISCLOSURE UNDERTAKING. (a) Annual Reports. The District shall provide annually to each NRMSIR and any SID, within six months after the end of each fiscal year ending in or after 2008, financial information and operating data with respect to the District of the general type included in the final Official Statement authorized by this Order being the information described in *Exhibit B* hereto. Any financial statements so to be provided shall be (1) prepared in accordance with the accounting principles described in *Exhibit B* hereto, or such other accounting principles as the District may be required to employ from time to time pursuant to state law or regulation, and (2) audited, if the District commissions an audit of such statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not complete within such period, then the District shall provide (1) unaudited financial statements for such fiscal year within such six month period, and (2) audited financial statements for the applicable fiscal year to each NRMSIR and any SID, when and if the audit report on such statements become available.

If the District changes its fiscal year, it will notify each NRMSIR and any SID of the change (and of the date of the new fiscal year end) prior to the next date by which the District otherwise would be required to provide financial information and operating data pursuant to this paragraph (a).

The financial information and operating data to be provided pursuant to this paragraph (a) may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is available from the MSRB) that theretofore has been provided to each NRMSIR and any SID or filed with the SEC.

(b) Material Event Notices. The District shall notify any SID and either each NRMSIR or the MSRB, in a timely manner, of any of the following events with respect to the Bonds, if such event is material within the meaning of the federal securities laws:

- A. Principal and interest payment delinquencies;
 - B. Non-payment related defaults;
 - C. Unscheduled draws on debt service reserves reflecting financial difficulties;
 - D. Unscheduled draws on credit enhancements reflecting financial difficulties;
 - E. Substitution of credit or liquidity providers, or their failure to perform;
 - F. Adverse tax opinions or events affecting the tax-exempt status of the Bonds;
 - G. Modifications to rights of holders of the Bonds;
 - H. Bond calls;
 - I. Defeasances;
 - J. Release, substitution, or sale of property securing repayment of the Bonds;
- and
- K. Rating changes.

The District shall notify any SID and either each NRMSIR or the MSRB, in a timely manner, of any failure by the District to provide financial information or operating data in accordance with paragraph (a) of this Section by the time required by such paragraph.

(c) Limitations, Disclaimers, and Amendments. The District shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the District remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the District in any event will give notice of any deposit made in accordance with Section 10 of this Order that causes Bonds no longer to be outstanding.

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The District undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the District's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The District does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE DISTRICT BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE DISTRICT, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the District in observing or performing its obligations under this Section shall comprise a breach of or default under the Order for purposes of any other provision of this Order.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the District under federal and state securities laws.

The provisions of this Section may be amended by the District from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the District, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Order that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the District (such as nationally recognized bond counsel) determined that such amendment will not materially impair the interest of the Holders and beneficial owners of the Bonds. The District may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds. If the District so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with paragraph (a) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided.

SECTION 15. SALE AND DELIVERY OF THE BONDS. The Bonds are hereby sold and shall be delivered to *Estrada Hinojosa & Company, Inc.*, as representative of the Underwriters (collectively, the "*Underwriters*") at a price of \$_____ (which amount is equal to par, less Underwriter's discount of \$_____, [plus][less] a net original issue [premium][discount] of \$_____), plus accrued interest on the Bonds from September 1, 2008, until the date of delivery, all pursuant to the terms and provisions of a Purchase Contract which the President of the Board of Trustees of the District is hereby authorized and directed to execute and deliver. The Issuer will deliver to the Underwriters an Initial Bond in the aggregate principal amount of \$12,000,000 payable in principal installments on the dates and in the principal amounts shown in Section 2 hereof, and bearing interest at the rates for each respective maturity as shown in Section 3 hereof. The distribution and use of the Preliminary Official Statement for the Bonds, dated August 4, 2008, prior to the date hereof is hereby ratified and confirmed. The Board of Trustees finds and determines that the Preliminary Official Statement and the Official Statement were and are "deemed final" as of each of their respective dates within the meaning, and for the purpose, of Rule 15c2-12 promulgated under authority granted by the Federal Securities and Exchange Act of 1934.

SECTION 17. AUTHORITY FOR OFFICERS TO EXECUTE DOCUMENTS AND APPROVE CHANGES. In addition, prior to the initial delivery of the Bonds, the President, Vice President and Secretary of the Board of Trustees of the District, the Superintendent and Assistant Superintendent for Finance and Operations of the District, and the District's Bond Counsel are hereby authorized and directed to approve any technical changes or correction to this Order or to any of the instruments authorized and approved by this Order necessary in order to (i) correct any ambiguity or mistake or properly or more completely document the transactions contemplated and approved by this Order and as described in the Official Statement, (ii) obtain a rating from any of the national bond rating agencies, or (iii) obtain the approval of the Bonds by the Attorney General's office. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION 18. ORDER A CONTRACT; AMENDMENTS. This Order shall constitute a contract with the Registered Owners of the Bonds, binding on the District and its successors and assigns, and shall not be amended or repealed by the District as long as any Bond remains outstanding except as permitted in this Section. The District may, without the consent of or notice to any Registered Owners, amend, change, or modify this Order as may be required (i) by the provisions hereof, (ii) for the purpose of curing any ambiguity, inconsistency, or formal defect or omission herein, or (iii) in connection with any other change which is not to the prejudice of the Registered Owners. The District may, with the written consent of the Registered Owners of a majority in aggregate principal amount of the Bonds then outstanding affected thereby, amend, change, modify, or rescind any provisions of this Order; provided that without the consent of all of the Registered Owners affected, no such amendment, change, modification, or rescission shall (i) extend the time or times of payment of the principal of and interest on the Bonds, reduce the principal amount thereof or the rate of interest thereon, (ii) give any preference to any Bond over any other Bond, (iii) extend any waiver of default to subsequent defaults, or (iv) reduce the aggregate principal amount of Bonds required for consent to any such amendment, change, modification, or rescission. Whenever the District shall desire to make any amendment or addition to or rescission of this Order requiring consent of the Registered Owners, the District shall cause notice of the amendment, addition, or rescission to be sent by first class mail, postage prepaid, to the Registered Owners at the respective addresses shown on the Registration Books. Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the ad valorem taxes granted by the District under Section 6 of this Order, and is therefore valid, effective, and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of the ad valorem taxes granted by the District under Section 6 of this Order is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the District agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code, and enable a filing to perfect the security interest in said pledge to occur.

The District covenants to timely comply with all applicable requirements and procedures under Article 7, Section 5 of the Texas Constitution, Subchapter C of Chapter 45, Texas Education Code and the Rules of the State Board of Education relating to the guarantee of the principal and interest on the Bonds by the Texas Permanent School Fund. Upon defeasance of the Bonds, prior to maturity, in accordance with applicable law, the guarantee of the principal and

interest on such Bonds by the Texas Permanent School Fund shall cease and no longer be available. In case a default in the payment of principal or interest on the Bonds, and in accordance with Section 45.061, Texas Education Code, the Comptroller of Public Accounts of the State of Texas is authorized to withhold from the District amounts equal to the amounts paid by the Permanent School Fund on account of such default, plus interest thereon, from the first state money payable to the District from the following sources and in the following order, to-wit: first, the foundation school fund, and next, available school fund.

SECTION 21. NOTICE TO TEXAS EDUCATION AGENCY. The President of the Board of Trustees, the Superintendent and the Assistant Superintendent of the District each is hereby authorized to notify the Division of State Funding, Texas Education Agency, of the delivery of the Bonds and other matters relating to the sale of the Bonds within ten days of the delivery of the Bonds.

SECTION 22. REMEDIES IN EVENT OF DEFAULT. In addition to all the rights and remedies provided by the laws of the State of Texas, it is specifically covenanted and agreed particularly that in the event the District (i) defaults in the payment of the principal, premium, if any, or interest on the Bonds, (ii) defaults in the deposits and credits required to be made to the Interest and Sinking Fund, or (iii) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in this Order and the continuation thereof for a period of 60 days after notice of such default is given by any Holder to the District, the Holders of any of the Bonds shall be entitled to seek a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the governing body of the District and other officers of the District to observe and perform any covenant, condition or obligation prescribed in this Order.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. The specific remedy herein provided shall be cumulative of all other existing remedies, and the specification of such remedy shall not be deemed to be exclusive.

SECTION 23. INTERESTED PARTIES. Nothing in this Order expressed or implied is intended or shall be construed to confer upon, or to give to, any person or entity, other than the District, the Underwriters and the registered owners of the Bonds, any right, remedy or claim under or by reason of this Order or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this Order contained by and on behalf of the District shall be for the sole and exclusive benefit of the District, the Underwriters and the registered owners of the Bonds.

SECTION 24. INCORPORATION OF RECITALS. The District hereby finds that the statements set forth in the recitals of this Order are true and correct, and the District hereby incorporates such recitals as a part of this Order.

SECTION 25. SEVERABILITY. If any provision of this Order or the application thereof to any circumstance shall be held to be invalid, the remainder of this Order and the application thereof to other circumstances shall nevertheless be valid, and this governing body hereby declares that this Order would have been enacted without such invalid provision.
