Re:Recommendation to Hire Bakhita Cunningham as BACC aide.

I am recommending Bakhita Cunningham for the BACC aide position. She brings valuable experience working with students through her roles as a sports camp counselor and a SEASPAR aide. Bakhita is also a former District 66 student and is excited to return and support the students at BACC. We are excited to welcome her to our team.

Sincerely,

Cheryl Novotny  
BACC Director
