

LAKE AND PENINSULA SCHOOL DISTRICT BOARD REPORT

Focused on bringing high-quality CTE education to the students of Bristol Bay

Soaring to New Heights

After hours of studying and preparation, students in the Flight/Ground training course took to the air with instructors for the first time this last intensive week. These students, who have been a part of the aviation program all year, earned seat time while studying to take their written FAA exam. Three students successfully passed the exam this go around.

Lighting The Path

Electrical students in the Young Electricians course spent the week at Alaska Works continuing their training. Students practiced wiring boxes into frames and by the end of the course built and wired their own working robot lamps! Each student walked away from the course with 40 apprenticeship hours under their belt. The same students will return for IW4 to continue building those hours.

April Intensives

April 29th-May 3rd

Anchorage/ Palmer

-Welding Careers III -
Ironworkers

-Intro to Cosmetology

-SEL Flight / Ground Training
(ARAA-Flight) II

SNAP Meet

I will be administering the Knowledge Test to students at SNAP Meet and support students with obtaining their Off Highway Permit or License

Commercial Fishing for Credit (CF4C)

- Applications are **LIVE** for Commercial Fishing for Credit
- Rising 9th-12th graders can apply
- Must work a minimum of 14 days at set net site or on drifter/seiner to receive .5 HS Credit
- Captain or Site Lead will complete proficiency checklist, student must submit to Misa by September 1st

Ed Rising National Conference

- BBRCTE is taking 7 students to the National Conference this year from June 27th-July 2nd
- Wish them luck as they compete at a National Level in their respective competitions:
 - **Gwen Aaberg**, Nondalton – Children's Literature PreK
 - **Courtney Boskofsky**, Chignik Lake – Exploring Support Services
 - **Charlie O'Domin III & Angel Yagie**, Meshik School – Children's Literature PreK
 - **Analise Kosbruk, Ty Kosbruk, & Sharlise Yagie** – Public Service Announcement

ANSEP Middle School Academy

- **23** LPSD students grades 6-8 were accepted to ANSEP's Middle School Academy (MSA)
- At MSA, students engage in hands-on learning STEM activities including: building a computer, dissecting squid, using an earthquake simulator
- Students will increase their math and science skills, become more familiar with college life, and be introduced to possible STEM career paths

National School Boards Association (NSBA) 2024 Magna Award

- BBRCTE is a NSBA 2024 Magna Silver Award winner
- It is one of 18 winners – three Grand Prize winners and 15 Silver Award winners – nationwide receiving this honor
- “The Magna Awards spotlight innovative programs that are making a difference for students and the communities where they live,” said NSBA Executive Director & CEO Verjeana McCotter-Jacobs. “These award winners serve as shining examples of what can be achieved when creativity and dedication intersect in the pursuit of excellence.”

Graduation

- 1 Graduate this past fall, 20 potential graduates this spring
- Perryville, Chignik Lagoon, and Newhalen students graduated on April 12th
- Tanalian students graduate on April 21st
- Kokhanok students graduate on April 24th
- Nondalton students graduate on April 26th
- Meshik students graduate on April 27th

Our Graduates

- 20 potential graduates this spring
 - 10 students currently planning on **enrolling** in college, trade school, or training program
 - 9 students currently planning on **employment**, including apprenticeships
 - 1 student currently planning on **enlisting** in the military

Our Graduates

- Congratulations to:
 - Anne Moses for her acceptance into Job Corps for their Electrical Program
 - Devin Kosbruk for his acceptance into AVTEC for Refrigeration and Diesel/Heavy Equipment Technologies
 - Angela Anelon for her acceptance to UAA, majoring in Nursing

Our Graduates

- Congratulations to:
 - Brielle Lorentzen for her acceptance to UAA, majoring in Journalism
 - Lianna Anelon for starting a job with RuralCAP as a Youth Mentor
 - Gwen Aaberg for her acceptance to UAS for their Aquaculture semester
 - Chandler Sharpless for continuing his employment with Lake Clark Air

FAFSA Completion

- 3 students have officially completed their FAFSA
- 4 students are in progress
