Subject: Recommendation of Pizza Bid

On August 7th, 2018 the Food and Nutrition Services Department received two bid responses for the Delivery of pizza to Livonia Public Schools for the 2018-2019, 2019-2020, and 2020-2021 school year.

The two companies who submitted a bid were Domino's and Pizza Hut. Both companies have a "school lunch program" that meet all of the nutritional requirements, and both completed all of the requirements of the the Request for Proposal (RFP).

The bid submitted by Pizza Hut was for \$6.25 per pizza. The bid submitted by Domino's was for \$7.00 per pizza. This is a three year contract with a one year extension clause. The RFP allows the district to terminate without cause.

The cost for the school year for Pizza Hut pizza will be \$171,750.00. This is an increase of \$13740.00 from the last pizza contract with Pizza Hut.

It is our recommendation that the District partner with Pizza Hut for delivery of pizza for the lunch program.
