

## Agenda and Minutes for Online EE Committee Meeting

May 23, 2022

Present: Scott Hetherington, Cathy Priest, MaryKay Moe, Becky Gilbertson, Emily Stull Richardson, Clare Thompson

### I. Old Business

#### A. Reports or updates on data from all 5 ELP evaluations.

Final data due by June 10th; please email to Clare

Use the following to help you (and note the questions at the end if you would contribute thoughts on those too):

[CCS EE Survey 2021-22 05.18.2022](#)

The teachers who prepared the strategy and evaluation for an indicator reported on their data thus far and will get their final data to Clare by June 10th. We are looking at trends among the groups of students rather than individual student changes.

#### B. Changes to ELP (due in Aug)– MESS-E, other?

a) Teachers in charge of an indicator please submit any changes to the wording of your strategy and evaluation by the end of June. Clare verified with OW that the additional strategies/evaluations from the MESS-E projects can be added in the fall, with the 2022-23 ELP being finalized in October.

b) Emily offered to help coordinate all of the work being done by different groups this summer so that we don't duplicate or miss details for orientation, seminars in EdGenuity, MESS-E projects, and Salt Watch.

#### C. May Civic Projects update

National Loon Center, Camp Knutson, WAPOA, letters to the editor of Pine and Lakes Echo

Clare discussed the environmental civic projects the middle school is doing. There will be an article in the local paper about these too.

#### D. Field Trip Folder

Clare started and shared with the members a folder to record field trip resources for students to do around the state, and for virtual ones that teachers can use. Everyone is invited to add to it and use it with their classes.

### II. New Business

#### A. OW workshop in June

<https://sites.google.com/ospreywilds.org/2022--ow-ee-workshop/home>

Clare, MaryKay, Becky are going

Clare and MaryKay will be going to Deep Portage, and Becky to St John's for the workshop.

#### B. Other?
