Response Dated: March 29, 2024	<p>Response: After a thorough and exhaustive search of our records, we do not have a document that encompasses the requested information. As such, we cannot produce a document that does not exist. However, much of this information can be obtained through other public means. For example, our email addresses have the domain name @d107.org and the vast majority of the email addresses are the first letter of the person's first name and their entire last name (ex. Samuel Smith would be ssmith@d107.org).</p>
