Dear Mr. Martell and the Nehalem RTI Staff;

Thank you for the generous donation of \$615.36 worth of phone call revenues generated by the parents and patrons of our students and school.

We appreciate the annual contribution which enables us to expand opportunities and activities for our students. This year the donation will be used by our Advisory Committee to support college and career readiness activities school wide.

It is a pleasure to partner with you as we have for all these years! It is amazing to consider how these funds have added up. We are ever grateful!

Sincerely,

Dr. Heidi Buckmaster
Principal
