Subject: Curriculum Moment

Administrator Responsible: Laura Jones

Summary:

This month's Curriculum Moment will highlight our district's 2024–2025 Accountability Report and provide an overview of how we are using instructional learning walks across all four campuses to support teaching and learning. I will also share the walkthrough tool principals use as they conduct their campus visits, ensuring alignment, consistency, and actionable feedback for teachers. Together, these practices keep our focus sharp on student achievement and instructional growth across Westwood ISD.
