

Governing Board Agenda Item

Meeting Date: August 13, 2026

From: Caitlyn Kauffman, Marana High School Principal

Subject: Donation

Priority: To ensure that students are safe, known, and valued

Consent ☒ Action ☐ Discussion ☐

Background:

The Marana High School Athletic Department received the following donation.

The golf simulator will be used to provide the boys and girls golf teams with a valuable on-campus space to practice, improve their skills, and train year-round. The simulator will be installed in the northwest corner of the upstairs dance studio in the Alumni Gym and will not interfere with the current dance program or use of the dance facility. Having a golf simulator on campus will allow our student-athletes to spend more time developing their game without always having to travel to Quarry Pines or other local golf courses. To complete the project, the Marana High School Athletic Department, golf coaches, and student-athletes will work together to secure funding and donations for the turf, tee box, netting, and other necessary materials.

Donor: The Kauffman Family

Item: Golf Simulator

Value: \$4,800

Recommended Motion:

I move that the Governing Board approve acceptance of the donation.
