FEEDBACK

Staff

- 100% of staff were satisfied with the program
- 98% felt supported
- 100% said they would likely return next year
- Staff reported that they liked the 4 days week and being done before the 4th of July.
- Next year suggestions: Staff Meeting in May for only new staff, assessing the need for all the supervision points at arrival and dismissal, more prep time

Parents

- 96% of parents reported that children had a positive summer school experience
- 95% of parents were satisfied with the summer school program
- Parents liked the open house and the variety of classes offered.
- Parents reported liking the “draft schedule” to help with selecting classes during registration.
- Parents liked the balance of academic courses and enrichment courses.

IDEAS FOR SUMMER SCHOOL 2027

(BASED ON PARENT/STAFF FEEDBACK)

Registration/Classes

- Continue to look for new classes to add to the catalog
- Look at this year's numbers and make sure we have enough classes for the most popular ages

Calendar/School day

- Open House was a success so we will continue to add that as an option for families
- 4-Day week was popular with most
- Continue with at least a few days between the end of school and the start of summer school

Location Arrival/dismissal

- Keep summer school at Copeland and Butterfield for consistency
- Transportation ran effectively this year so continue with school-based stops
- Monitor number of bus riders so we do not have to split routes

... AND
THAT'S A
WRAP!
