- Band – The MHS band won their first Sweepstakes since 1995. To earn a sweepstakes, they had to get “1’s” in marching, concert, and sight-reading. This goes to show what hard work and determination can do. They celebrated by taking a working trip to Corpus Christi following the contest.
- Our Robotics team competed at State, and the team of Carmen Suarez, Kayley Lantrip and Patrick Prince won 3rd place out of 40 teams competing
- Our FCCLA team of Kayley Lantrip and Hannah Backer competed at State and won 4th place out of 26 teams.
- Our boys track team won the district title for the fourth straight year in a row. Josh Hurst set a school record in the shot. Brent Wells broke the 110 Hurdles record from 1982. Our 4X400 relay team broke a school record from 1996, and Micayla Stanley broke her own 100 Hurdles record.
- April 1 (week) – We administered the English EOC tests for English I and II.

- April 7 – Our dairy judging team qualified for state competition. The team consisted of Presley Talley, Jana Block, Emily Wilkerson, and Callie Walters. Callie Walters had the second highest score of the night out of 99 competitors.
- April 21-24 – We will be administering the last round of TAKS tests to those students who have not passed one or more of the exit level exams.
