Principals'Reports: Indus Principal Report/Laurie Bitter, Interviewed David Monson in June for the interventionist. We are excited to have his many skills and educational experiences here at Indus. He will be excellent for this position. Top 20 Training with both Indus and Northome training was excellent and looking forward to implementing the skills Above the Line or Below the Line, Power of Choice. and communication skills for our students and staff this upcoming school year. Had two meetings with Jake and Gina from Northwest Service Coop for upcoming SEL, ACES, and PBIS training with both schools in August. We will be collaborating the training with both schools. Elementary from 8:30-11:30 and high school from 12:15-3:15. Tony Zook has been taking out old equipment and sand in order for the new equipment and legal wood chips to be put in this Fall. Thank you to Cheryl who has been covering the office while Tammi has been out. Along with Donnie, Steve and Cathy for working hard to get our building looking nice for the upcoming year. Indus family wants to say our condolences to the loss of one of our Northome teacher/past Indus teacher. Their family have been in our prayers.

Northome Principal Report: Summer Quest has been a hit. We have around 30 students attending regularly. They have been able to pick & eat some beans and lettuce from the garden. We have guests from 4H and Snap Ed coming in to do some STEM activities over the next few weeks. Our Indian Education Program will be having another fun day next week. Families are invited to meet at the beach to spend the afternoon together. Games and snacks will be provided. Three teachers and myself attended the Top 20 Training last week. It was a great experience and there were a lot of takeaways to bring back to staff this fall. I am currently working on organizing Workshop week for staff. We have lots of stuff to fit in. We will be spending time focusing on Social-Emotional Learning with Mental Health Awareness, PLC's, and interactive engagement in the classroom. Our Wonders curriculum is slowly starting to arrive. We have been working on getting teachers set up on their dashboards so they can begin reviewing the material. We have a training set up for August to get us started. We had a

group of students, parents and Kim Lindner travel to Washington DC last week with an outside travel group. It looks like they had a jam-packed schedule but got to take in a lot of sights. Our gym floors got refinished last week and they look great.

Board Report: Discuss outdated vehicles:

Superintendent's Report: We have auditors coming in from Brady Martz next Monday, Tuesday and Wednesday (July 19th through the 21st) to conduct our yearly audit. The first day of the audit is through email and phone calls and the remaining two days, the auditors will be in Northome. Today, Chair Brian Dreher and I went over and visited with Kelliher's transportation director and looked at the system they use to plan bus routes, identify students at bus stops, and track the mileage on buses and type III vehicles. I had a meeting with area superintendents this morning and the topic of Distance Learning was brought up. The information superintendents are currently being given is that students will be expected to attend school in-person. We will wait to hear more about vaccinations and if vaccinated persons need to wear a mask in school. I have been chatting with Don Ulrich regarding the Indus Wastewater treatment facility. The Minnesota Pollution Control Agency is claiming the Treatment Facility is discharging more than the recommended allotment of chlorine into the stream on the south side of the campus. I connected with a MPCA representative and we are going to set up a Microsoft Team Meeting and try to find out what our next best steps are in this process. Superintendents will receive guidance this week on distance learning. Local decisions and control over Covid decisions. MDE is not having a safe learning plan like last year. Expect guidance regarding Covid from MDE/MDH at the end of the month.

The next regular monthly board meeting will be held on August 11, 2021 in Northome and by ITV.

Moved by Ralph Lewis, seconded by Scott Mai, to adjourn at 7:45 pm. Motion carried unanimously.
