Reports:

District Office: Shaine/Rod-

Teachers - [Board Report Port Alexander January 2025](#)

Treasurer: Shanna stated that our ASC account has \$2560 and we are waiting to be reimbursed for some christmas gifts from the city of Port Alexander. Molly mentioned that we are also still waiting to be reimbursed by the district for ATTSAA students.

Old Business:

- Tsunami Drill: Completed Dec. 4th to B-side location. Took about twenty minutes.
- Schoolwide Plan: Our district grants coordinator submitted it to the state. All ASC members are encouraged to look at that and edit it for next year. Molly noted that Principal Shaine Nixon is listed as our emergency contact. ASC members discussed that this should be changed because he is not present on our site and hasn't been able to visit. The consensus was that in an emergency situation we should have someone local as our contact person to deal with the situation. And that we would of course be in contact with admin if an emergency occurred.
- Christmas program/Celebration

New Business:

- Superbowl Pizza fundraiser ASC members decided not to do this as it is not a money maker and is a lot of work.
- ATTSAA update Julia mentioned that she was in the process of being hired as the 2025 ATTSAA coordinator. Her next steps after going through the hiring process are to update the flyer and start recruiting students for next fall. Molly recommended that we have photos from every year on the flyer and website so

that former students can look at it proudly and help us recruit. She also reminded us that we had some issues with the teacher housing last fall. Patrick volunteered to email Scott from maintenance to make sure that the issues at the teacher housing get cleared up.

Next Meeting: Meeting set for Feb. 6 at 3:30
