

Frontline Education Renewal Notice

Attn: Browning Public Schools

Thank you for your continued partnership with Frontline Education. As part of our focus to provide you with industry-leading solutions and technology for K-12, our Learning Center continues to be enhanced to provide access to articles with answers to routine questions 24/7. This includes the ability to create support requests and training resources for new administrators.

As an Absence client, we wanted to make you aware that you are eligible to add Human Capital Analytics (HCA) at a very heavily discounted price as part of your renewal.

For a high-level overview video of our HCA solution click [here](#).

This offers many benefits for all our HCM solutions, but when utilized with Absence Management, you will have access to unique insights, such as:

- Seeing absence trends over time to anticipate your need for substitutes.
- Analyze fill rate metrics to understand the depth of your substitute pool and where more coverage is needed.
- Inform policy and personnel decisions by identifying how absence lead time affects your substitute fill rate.

Additionally, we have launched a **NEW** Absence Prediction Guided Analysis that:

- Projects daily sub-required absence totals for the entire 23-24 school year
- Allows for the assessment of future high and low volume absence days to allow for effective resource management and planning

Let your CSM know if you are interested in hearing more about HCA so you can take advantage of this offering. This can be activated prior to your renewal term starting.
