Re: Review Sinking Fund Program Planning

I would like to request adding an agenda item to the September 16, 2024 Committee of the Whole meeting. Brian Weber and Collin Frink from Plante Moran Realpoint, along with Alison Smith and I, would like to update the Board of Education on the current status of the Sinking Fund planning discussions we've been having with regard to future projects, along with progress updates on projects these dollars are funding. Thank you.
