

Topic: First Reading of Policies
Presenter(s): Brandon Nelson, Director of Human Resources

Recommendation

The purpose of presenting the policies below to the school board is to give proper notice of proposed policy changes or adoption pursuant to Policy 208. Final action will be taken at a subsequent meeting.

Background Information

533 WELLNESS

Background:

School districts are required to have this policy. The policy presented is based on the Minnesota School Boards Association model policy and differs as follows:

Part IV, D, 2: Changes from will not us to does not recommend using.

The policy has been reviewed by administration and the policy committee and approval is recommended.
