# Executive Summary
## Prepared for Board of Trustees Meeting
## February 25, 2014

## Clarity Bright Bytes Survey Results

___

### *Board Goal***:**

- I. Remain committed to providing equitable and outstanding opportunities for every student on every campus
- II. Actively pursue, foster and support an advanced digital learning environment
- IV. Foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students

### *Purpose of Report*

- The purpose of this workshop is inform the Board of Trustees regarding the results of the recent BrightBytes Clarity technology survey and convey next steps for the technology ePlan process

### *Objectives*

- Review the data and gain a deeper understanding of our teachers' and students' use of technology, both at school and at home.
- Convey how the data will be used moving forward

### *Operational Impact*

- No financial impact: this data analysis tool is provided at no charge through Region XI ESC

### *Results*
- Bright Bytes will give district leaders and committee members powerful information as we seek to make data-driven decisions regarding technology. Our efforts will be more effective and ultimately will benefit our students as we prepare and equip them to positively impact their local and global community.
