W.J. Zahnow Elementary Board Report August 2026

On July 30th, Zahnow hosted a Zahnow Playdate, or "Popsicles on the Playground," for Zahnow Families to see the outside of the building, meet new students and families, and meet some of our staff. This was the second year of doing this, and we feel like it was another successful year!

Our school year is back in session with Monday, August 10th, marking the return of staff members to the building. For the first couple of days of the new school year, staff participated in various training sessions and refreshers to prepare for the new year and review any changes or updates made over the summer. They were busy, but they were ready to welcome our students!

1st-grade families came to drop off supplies and meet their teacher on the 10th, and our Preschool/Early Childhood and Kindergarten Families came on Wednesday, the 12th, to drop off their supplies and meet their teachers. Our staff really enjoys welcoming new and returning families and seeing the excitement on the students' faces.
