

Dunlap Community Unit School District 323
Board of Education Meeting
November 19, 2025

INFORMATION ITEM

TO: Members of the Board of Education
Dr. Scott Dearman, Superintendent

FROM: Dr. Matt Andrews, Assistant Superintendent

SUBJECT: Illinois School Report Card Presentation for 2024-25 School Year & Curriculum Department Plan

BACKGROUND INFORMATION:

Illinois School Report Card

Each year at the end of October, the Illinois State Board of Education lifts the embargo on the previous school year's data as reported on the Illinois School Report Card. Report cards compile a host of data that informs not only on student performance data, but student and staff composition data, and district finances. The Interactive Report Card can be viewed [here](#).

A presentation giving an overview of the Illinois Report Card, historical data, and an update on the Curriculum Department Plan (in accordance with the District Strategic Plan) will be shared with the Board and community at the November 19, 2025, Meeting. The presentation slide deck can be found [here](#).

Please contact Matt with any questions.
