**\* Local Project Title**

Project Safe- Schools are Friendly Environments

20,000.00 \* **Funds requested**

**\* Objectives:**

Project SAFE promotes a secure and friendly school environment. All students have the opportunity to thrive socially, emotionally, and academically. Kindergarten through third grade children who are identified with risk factors, receive research-based early intervention (Children's Institute). Child Associates and the primary Psychologist support children's adjustment through PMHP Child Led Play; Social skills, and Yoga. intervention involves partnerships with parents, teachers, and the administrative team. Collaboration with Woodbridge Youth and Human Services, the Regional Community Collaborative, the Family Team, and community based agencies support early intervention. 2019-2020 see budget.

**\* Project Activities**

- \*Early identification of "at risk kindergarten to third grade students through Teacher Child Rating Scales
- \*The TCRS provides a universal screening for students in kindergarten through third grade.
- \*Goal setting and Routine contacts with parents (Phone, emails, and child specific photo/text updates)
- \*Individual, weekly child led play sessions
- \*Small transitional groups as needed
- \*PMHP Parent Activities that enhance parent/child relationships. Parent activities provide a tradition of community-building events with wide attendance over time.
- \*Collaboration with the Woodbridge Community/Family Team, Woodbridge Youth and Human Services, Regional Community Collaborative and an established network of Community Providers, including Yale Child Study Clinic, Clifford Beers Clinic, Bridges Clinic, and The Parent Child Resource Center.
